**PROXY STATEMENT FOR EXTRAORDINARY GENERAL MEETING
OF SHAREHOLDERS OF
BYTE ACQUISITION CORP.**

Dear Shareholders of BYTE Acquisition Corp.:

You are cordially invited to attend the Extraordinary General Meeting (the “Extraordinary General Meeting”) of shareholders of BYTE Acquisition Corp., a Cayman Islands exempted company (the “Company,” “BYTE,” “we,” “us” or “our”), to be held on March 16, 2023, at 11:00 a.m., Eastern Time, at the offices of White & Case LLP, located at 1221 Avenue of the Americas, New York, New York 10020, or at such other time, on such other date and at such other place to which the meeting may be postponed or adjourned, or to attend virtually via the Internet. You will be able to attend the Extraordinary General Meeting online, vote, and submit your questions during the Extraordinary General Meeting by visiting <https://www.cstproxy.com/byteacquisition/2023>. While shareholders are encouraged to attend the meeting virtually, you will be permitted to attend the Extraordinary General Meeting in person at the offices of White & Case LLP. The accompanying proxy statement is dated [], 2023, and is first being mailed to shareholders of the Company on or about [], 2023.

Even if you are planning on attending the Extraordinary General Meeting online, please promptly submit your proxy vote by completing, dating, signing and returning the enclosed proxy, so that your shares will be represented at the Extraordinary General Meeting. It is strongly recommended that you complete and return your proxy card before the Extraordinary General Meeting date to ensure that your shares will be represented at the Extraordinary General Meeting. Instructions on how to vote your shares are on the proxy materials you received for the Extraordinary General Meeting.

The Extraordinary General Meeting is being held to consider and vote upon the following proposals:

(a) as a special resolution, to amend the Company’s Amended and Restated Memorandum and Articles of Association (the “Charter”) pursuant to an amendment to the Charter in the form set forth in Annex A of the accompanying proxy statement to extend the date by which the Company must (1) consummate a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination (an “initial business combination”), (2) cease its operations except for the purpose of winding up if it fails to complete such initial business combination, and (3) redeem all of the Class A ordinary shares, par value \$0.0001 per share, of the Company (“Class A Ordinary Shares” or “public shares”), included as part of the units sold in the Company’s initial public offering that was consummated on March 23, 2021 (the “IPO”), from March 23, 2023, to September 25, 2023 (the “Extension,” such date, the “Extended Date,” and such proposal, the “Extension Proposal”);

(b) as a special resolution, to amend the Charter pursuant to an amendment to the Charter in the form set forth in Annex A of the accompanying proxy statement to amend the Charter to provide for the right of a holder of the Company’s Class B ordinary shares, par value \$0.0001 per share (the “Class B Ordinary Shares” and, together with the Class A Ordinary Shares, the “Ordinary Shares”), to convert into Class A Ordinary Shares on a one-for-one basis prior to the closing of an initial business combination at the election of the holder (the “Founder Share Amendment,” and such proposal, the “Founder Share Amendment Proposal”); and

(c) as an ordinary resolution, to approve the adjournment of the Extraordinary General Meeting to a later date or dates, if necessary or convenient, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Extension Proposal or the Founder Share Amendment Proposal (the “Adjournment Proposal”), which will only be presented at the Extraordinary General Meeting if, based on the tabulated votes, there are not sufficient votes at the time of the Extraordinary General Meeting to approve the Extension Proposal or the Founder Share Amendment Proposal, in which case the Adjournment Proposal will be the only proposal presented at the Extraordinary General Meeting.

[Table of Contents](#)

Each of the Extension Proposal, the Founder Share Amendment Proposal and the Adjournment Proposal is more fully described in the accompanying proxy statement, which you are encouraged to read carefully.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE EXTENSION PROPOSAL, THE FOUNDER SHARE AMENDMENT PROPOSAL AND, IF PRESENTED, THE ADJOURNMENT PROPOSAL.

The sole purpose of the Extension Proposal is to provide the Company with sufficient time to complete an initial business combination.

The Charter provides that the Company has until March 23, 2023, to complete an initial business combination. While the Company is currently in discussions regarding various business combination opportunities, the Company’s board of directors (the “Board”) has determined that there may not be sufficient time before March 23, 2023 to complete an initial business combination. Therefore, the Board has determined that it is in the best interests of the Company’s shareholders to extend the date by which the Company has to complete an initial business combination to the Extended Date.

The purpose of the Founder Share Amendment Proposal is to provide the holders of the Class B Ordinary Shares with the flexibility to assist the Company in meeting the listing requirements of its Class A Ordinary Shares if necessary or desirable in connection with the Extension and the consummation of the Company’s initial business combination.

In connection with the Extension, public shareholders may elect to redeem their shares for a pershare price, payable in cash, equal to the aggregate amount then on deposit in the trust account established in connection with the IPO (the “Trust Account”), including interest earned on the funds held in the Trust Account and not previously released to the Company (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then-issued and outstanding Class A Ordinary Shares, regardless of how such public shareholders vote on the Extension Proposal and the Founder Share Amendment Proposal or if they vote at all. If the Extension is approved by the requisite vote of shareholders, the remaining public shareholders will retain their right to redeem their Class A Ordinary Shares upon consummation of our initial business combination when it is submitted to a vote of the shareholders, subject to any limitations set forth in the Charter, as amended. In addition, public shareholders will be entitled to have their shares redeemed for cash if the Company has not completed an initial business combination by the Extended Date.

Based upon the amount held in the Trust Account as of the Record Date (as defined below), which was \$[] (including interest not previously released to BYTE to pay its taxes), the Company estimates that the per-share price at which public shares may be redeemed from cash held in the Trust Account will be approximately \$[] at the time of the Extraordinary General Meeting. The closing price of a Class A Ordinary Share on the Record Date, was \$[]. The Company cannot assure shareholders that they will be able to sell their Class A Ordinary Shares in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such shareholders wish to sell their shares.

Pursuant to the Charter, a public shareholder may request that the Company redeem all or a portion of such public shareholder’s public shares for cash if the Extension Proposal and the Founder Share Amendment Proposal is approved. You will be entitled to receive cash for any public shares to be redeemed only if you:

- (i) (a) hold public shares or (b) hold public shares as part of units and elect to separate such units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- (ii) prior to 5:00 p.m., Eastern Time, on March 14, 2023 (two business days prior to the vote at the Extraordinary General Meeting), (a) submit a written request to Continental Stock Transfer & Trust Company, the Company’s transfer agent, that the Company redeem your public shares for cash and (b) deliver your public shares to the transfer agent, physically or electronically through The Depository Trust Company.

Holders of units of the Company must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If holders hold their units in an account at a brokerage firm or bank, holders must notify their broker or bank that they elect to separate the units into the underlying public shares and public warrants, or if a holder holds units registered in its, his or her own name, the holder must contact the transfer agent directly and instruct it to do so. **Public shareholders may elect to redeem all or a portion of their public shares even if they vote for the Extension Proposal or the Founder Share Amendment Proposal.**

[Table of Contents](#)

If the Extension is not approved and we do not consummate an initial business combination by March 23, 2023, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares, which redemption will completely extinguish public shareholders' rights as shareholders (including the right to receive further liquidation distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the remaining public shareholders and the Board, liquidate and dissolve, subject, in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial business combination by March 23, 2023 or by the applicable deadline as may be extended.

Approval of each of the Extension Proposal and the Founder Share Amendment Proposal requires a special resolution under the Cayman Islands Companies Act (As Revised) (the "Companies Act"), being the affirmative vote of the holders of at least two-thirds of the Class A Ordinary Shares and Class B ordinary shares, par value \$0.0001 per share, of the Company issued to BYTE Holdings LP, the Company's sponsor (the "Sponsor") in a private placement prior to the IPO issued and outstanding, voting together as a single class, represented in person or by proxy and entitled to vote thereon and who do so in person or by proxy at the Extraordinary General Meeting. Ordinary Shares that are present virtually during the Extraordinary General Meeting constitute Ordinary Shares represented "in person."

Approval of the Adjournment Proposal requires an ordinary resolution under Cayman Islands law, being the affirmative vote of a majority of the Ordinary Shares issued and outstanding, represented in person or by proxy and entitled to vote thereon and who do so in person or by proxy at the Extraordinary General Meeting.

The Board has fixed the close of business on February 21, 2023, as the record date for the Extraordinary General Meeting (the "Record Date"). Only shareholders of record on February 21, 2023, are entitled to notice of and to vote at the Extraordinary General Meeting or any postponement or adjournment thereof. Further information regarding voting rights and the matters to be voted upon is presented in the accompanying proxy statement.

You are not being asked to vote on an initial business combination at this time. If the Extension is implemented and you do not elect to redeem your public shares in connection with the Extension, you will retain the right to vote on an initial business combination if and when such transaction is submitted to shareholders and the right to redeem your public shares for cash from the Trust Account in the event a proposed initial business combination is approved and completed or the Company has not consummated an initial business combination by the Extended Date. If an initial business combination is not consummated by the Extended Date, assuming the Extension is implemented, and the Company does not obtain an additional extension, the Company will redeem its public shares.

All BYTE shareholders are cordially invited to attend the Extraordinary General Meeting via the Internet at <https://www.cstproxy.com/byteacquisition/2023>. To ensure your representation at the Extraordinary General Meeting, however, you are urged to complete, sign, date and return your proxy card as soon as possible. If your shares are held in an account at a brokerage firm or bank, you must instruct your broker or bank on how to vote your shares. You may revoke your proxy card at any time prior to the Extraordinary General Meeting.

A shareholder's failure to vote in person or by proxy will not be counted towards the number of Ordinary Shares required to validly establish a quorum. Abstentions will be counted in connection with the determination of whether a valid quorum is established.

YOUR VOTE IS IMPORTANT. Please sign, date and return your proxy card as soon as possible. You are requested to carefully read the proxy statement and accompanying Notice of Extraordinary General Meeting for a more complete statement of matters to be considered at the Extraordinary General Meeting. If you have any questions or need assistance voting your ordinary shares, please contact Morrow Sodali LLC, our proxy solicitor, by calling (800) 662-5200, or banks and brokers can call collect at (203) 658-9400, or by emailing BYTS.info@investor.morrow sodali.com.

**NOTICE OF THE EXTRAORDINARY GENERAL MEETING
TO BE HELD ON MARCH 16, 2023**

Dear Shareholders of BYTE Acquisition Corp.:

NOTICE IS HEREBY GIVEN that an Extraordinary General Meeting (the "Extraordinary General Meeting") of shareholders of BYTE Acquisition Corp., a Cayman Islands exempted company (the "Company"), will be held on March 16, 2023, at 11:00 a.m., Eastern Time, at the offices of White & Case LLP, located at 1221 Avenue of the Americas, New York, New York 10020, or at such other time, on such other date and at such other place to which the meeting may be postponed or adjourned, and will be available to attend virtually via the Internet. You will be able to attend the Extraordinary General Meeting online, vote and submit your questions during the Extraordinary General Meeting by visiting <https://www.cstproxy.com/byteacquisition/2023>. While shareholders are encouraged to attend the meeting virtually, you will be permitted to attend the Extraordinary General Meeting in person at the offices of White & Case LLP. The Extraordinary General Meeting will be held to consider and vote upon the following proposals:

1. **Proposal No. 1 — The Extension Proposal** — as a special resolution, to amend the Company's Amended and Restated Memorandum and Articles of Association (the "Charter") pursuant to an amendment to the Charter in the form set forth in Annex A of the accompanying proxy statement to extend the date by which the Company must (1) consummate a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination (an "initial business combination"), (2) cease its operations except for the purpose of winding up if it fails to complete such initial business combination, and (3) redeem all of the Class A ordinary shares, par value \$0.0001 per share, of the Company ("Class A Ordinary Shares" or "public shares"), included as part of the units sold in the Company's initial public offering that was consummated on March 23, 2021 (the "IPO"), from March 23, 2023, to September 25, 2023 (the "Extension," such date, the "Extended Date," and such proposal, the "Extension Proposal");
2. **Proposal No. 2 — The Founder Share Amendment Proposal** — as a special resolution, to amend the Charter pursuant to an amendment to the Charter in the form set forth in Annex A of the accompanying proxy statement to amend the Charter to provide for the right of a holder of the Company's Class B ordinary shares, par value \$0.0001 per share (the "Class B Ordinary Shares" and, together with the Class A Ordinary Shares, the "Ordinary Shares"), to convert into Class A Ordinary Shares on a one-for-one basis prior to the closing of an initial business combination at the election of the holder (the "Founder Share Amendment," and such proposal, the "Founder Share Amendment Proposal"); and
3. **Proposal No. 3 — The Adjournment Proposal** — as an ordinary resolution, to approve the adjournment of the Extraordinary General Meeting to a later date or dates, if necessary or convenient, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Extension Proposal or the Founder Share Amendment Proposal (the "Adjournment Proposal"), which will only be presented at the Extraordinary General Meeting if, based on the tabulated votes, there are not sufficient votes at the time of the Extraordinary General Meeting to approve the Extension Proposal or the Founder Share Amendment Proposal, in which case the Adjournment Proposal will be the only proposal presented at the Extraordinary General Meeting.

The above matters are more fully described in the accompanying proxy statement. **We urge you to read carefully the accompanying proxy statement in its entirety.**

[Table of Contents](#)

The sole purpose of the Extension Proposal is to provide the Company with sufficient time to complete an initial business combination.

The purpose of the Founder Share Amendment Proposal is to provide the holders of the Class B Ordinary Shares with the flexibility to assist the Company in meeting the listing requirements of its Class A Ordinary Shares if necessary or desirable in connection with the Extension and the consummation of the Company's initial business combination.

Approval of the Extension Proposal is a condition to the implementation of the Extension. The Extension Proposal is also conditioned upon receipt of no more than 80% of the public shares (as defined below) being put to us for redemption, which requires that a substantial number of public shareholders do not redeem or redeem only a portion of their public shares. The Board reserves the right to waive such condition and proceed with the Extension Proposal, in its sole discretion. In addition, we will not proceed with the Extension if the number of redemptions of our public shares causes us to have less than \$5,000,001 of net tangible assets following approval of the Extension, which condition may not be waived by the Board. The Adjournment Proposal is not subject to these, or any other, conditions. Approval of each of the Extension Proposal and the Founder Share Amendment Proposal requires a special resolution under the Cayman Islands Companies Act (As Revised) (the "Companies Act"), being the affirmative vote of the holders of at least two-thirds of the Class A Ordinary Shares and Class B ordinary shares, par value \$0.0001 per share, of the Company issued to BYTE Holdings LP, the Company's sponsor (the "Sponsor") in a private placement prior to the IPO issued and outstanding, voting together as a single class, represented in person or by proxy and entitled to vote thereon and who do so at the Extraordinary General Meeting. Ordinary Shares that are present virtually during the Extraordinary General Meeting constitute Ordinary Shares represented "in person."

Approval of the Adjournment Proposal requires an ordinary resolution under Cayman Islands law, being the affirmative vote of a majority of the Ordinary Shares issued and outstanding, represented in person or by proxy and entitled to vote thereon and who vote at the Extraordinary General Meeting.

In connection with the Extension, public shareholders may elect to redeem their shares for a pershare price, payable in cash, equal to the aggregate amount then on deposit in the trust account established in connection with the IPO (the "Trust Account"), including interest earned on the funds held in the Trust Account and not previously released to the Company (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then-issued and outstanding Class A Ordinary Shares, regardless of how such public shareholders vote on the Extension Proposal, or if they vote at all. If the Extension is approved by the requisite vote of shareholders, the remaining public shareholders will retain their right to redeem their Class A Ordinary Shares upon consummation of our initial business combination when it is submitted to a vote of the shareholders, subject to any limitations set forth in the Charter, as amended. In addition, public shareholders will be entitled to have their shares redeemed for cash if the Company has not completed an initial business combination by the Extended Date.

Pursuant to the Charter, a public shareholder may request that the Company redeem all or a portion of such public shareholder's public shares for cash if the Extension is approved. You will be entitled to receive cash for any public shares to be redeemed only if you:

- (i) (a) hold public shares or (b) hold public shares as part of units and elect to separate such units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- (ii) prior to 5:00 p.m., Eastern Time, on March 14, 2023 (two business days prior to the vote at the Extraordinary General Meeting), (a) submit a written request to Continental Stock Transfer & Trust Company, the Company's transfer agent, that the Company redeem your public shares for cash and (b) deliver your public shares to the transfer agent, physically or electronically through The Depository Trust Company.

Holders of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If holders hold their units in an account at a brokerage firm or bank, holders must notify their broker or bank that they elect to separate the units into the underlying public shares and public warrants, or if a holder holds units registered in its, his or her own name, the holder must contact the transfer agent directly and instruct it to do so. **Public shareholders may elect to redeem all or a portion of their public shares even if they vote for the Extension Proposal or the Founder Share Amendment Proposal.**

[Table of Contents](#)

If the Extension is not approved and we do not consummate an initial business combination by March 23, 2023, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares, which redemption will completely extinguish public shareholders' rights as shareholders (including the right to receive further liquidation distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the remaining shareholders and the Board, liquidate and dissolve, subject, in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of applicable law.

The Company's sponsor is BYTE Holdings LP, a Cayman Islands exempted limited partnership. The Sponsor and the Company's directors and officers have agreed to waive their respective rights to liquidating distributions from the Trust Account in respect of any Class B Ordinary Shares or shares underlying the Private Placement Units (as defined below) held by it or them, as applicable, if the Company fails to complete an initial business combination by March 23, 2023, or by the applicable deadline as may be extended, although they will be entitled to liquidating distributions from the Trust Account with respect to any Class A Ordinary Shares they hold if the Company fails to complete its initial business combination by such date. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial business combination by March 23, 2023 or by the applicable deadline as may be extended.

If the Company liquidates, the Sponsor has agreed that it will be liable to us if and to the extent any claims by a third party for services rendered or products sold to us, or a prospective target business with which we have entered into a written letter of intent, confidentiality or other similar agreement or business combination agreement, reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per public share or (ii) the actual amount per public share held in the Trust Account as of the date of the liquidation of the Trust Account, if less than \$10.00 per public share due to reductions in the value of the trust assets, less taxes payable, provided that such liability will not apply to any claims by a third party or prospective target business who executed a waiver of any and all rights to the monies held in the Trust Account (whether or not such waiver is enforceable) nor does it apply to any claims under our indemnity of the underwriter of the IPO against certain liabilities, including liabilities under the Securities Act of 1933, as amended. The per-share liquidation price for the public shares is anticipated to be approximately \$[] (based on the amount held in the Trust Account as of the Record Date (including interest not previously released to BYTE to pay its taxes)). Nevertheless, the Company cannot assure you that the per share distribution from the Trust Account, if the Company liquidates, will not be less than \$[] due to unforeseen claims of potential creditors.

If the Extension Proposal is approved, such approval will constitute consent for the Company to (i) remove from the Trust Account an amount (the "Withdrawal Amount") equal to the number of public shares properly redeemed multiplied by the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares and (ii) deliver to the holders of such redeemed public shares their portion of the Withdrawal Amount. The funds remaining in the Trust Account after the removal of such Withdrawal Amount shall be available for use by the Company to complete an initial business combination on or before the Extended Date. Holders of public shares who do not redeem their public shares now will retain their redemption rights and their ability to vote on an initial business combination through the Extended Date if the Extension Proposal is approved.

The withdrawal of the Withdrawal Amount will reduce the amount held in the Trust Account, and the amount remaining in the Trust Account may be significantly less than the \$[] that was in the Trust Account as of the Record Date. In such an event, the Company may need to obtain additional funds to complete its initial business combination, and there can be no assurance that such funds will be available on terms acceptable to the parties or at all.

Only shareholders of record of the Company as of the close of business on February 21, 2023, are entitled to notice of, and to vote at, the Extraordinary General Meeting or any adjournment or postponement thereof. Each Ordinary Share entitles the holder thereof to one vote. On the record date, there were 41,491,564 Ordinary Shares issued and outstanding, including 33,399,251 Class A Ordinary Shares (including 32,369,251 Class A Ordinary Shares issued

[Table of Contents](#)

in connection with the IPO and 1,030,000 Class A Ordinary Shares underlying the private placement units (the “Private Placement Units”) held by the Sponsor and purchased simultaneously with the consummation of the IPO) and 8,092,313 Class B Ordinary Shares. The Company’s warrants do not have voting rights in connection with the proposals.

Your vote is important. Proxy voting permits shareholders unable to attend the Extraordinary General Meeting in person to vote their shares through a proxy. By appointing a proxy, your shares will be represented and voted in accordance with your instructions. You can vote your shares by completing and returning your proxy card or by completing the voting instruction form provided to you by your broker. Proxy cards that are signed and returned but do not include voting instructions will be voted by the proxy as recommended by the Board. You can change your voting instructions or revoke your proxy at any time prior to the Extraordinary General Meeting by following the instructions included in this proxy statement and on the proxy card.

It is strongly recommended that you complete and return your proxy card before the Extraordinary General Meeting date to ensure that your shares will be represented at the Extraordinary General Meeting. You are urged to review carefully the information contained in the enclosed proxy statement prior to deciding how to vote your shares. If you have any questions or need assistance voting your Ordinary Shares, please contact Morrow Sodali LLC, our proxy solicitor, by calling (800) 662-5200, or banks and brokers can call collect at (203) 658-9400, or by emailing BYTS.info@investor.morrowsodali.com.

By Order of the Board, <hr/> Kobi Rozengarten Chairman of the Board of Directors

QUESTIONS AND ANSWERS ABOUT THE EXTRAORDINARY GENERAL MEETING

These Questions and Answers are only summaries of the matters they discuss. They do not contain all of the information that may be important to you. You should read carefully the entire document, including any annexes to this proxy statement.

Why am I receiving this proxy statement?

This proxy statement and the enclosed proxy card are being sent to you in connection with the solicitation of proxies by our Board for use at the Extraordinary General Meeting to be held in person or virtually on March 16, 2023, or at any adjournments or postponement thereof. This proxy statement summarizes the information that you need to make an informed decision on the proposals to be considered at the Extraordinary General Meeting.

BYTE is a blank check company incorporated on January 8, 2021 as a Cayman Islands exempted company for the purpose of effecting a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination with one or more businesses (an “initial business combination”).

On January 22, 2021, BYTE Holdings LP (the “Sponsor”) purchased an aggregate of 8,625,000 Class B ordinary shares, par value \$0.0001, of the Company (“Class B Ordinary Shares”), for an aggregate purchase price of \$25,000, or approximately \$0.003 per share. On April 7, 2021, the underwriter of the IPO (as defined below) exercised its over-allotment option in part, and as a result, 532,687 Class B Ordinary Shares were forfeited.

On March 23, 2021, the Company consummated its initial public offering (“IPO”) of 30,000,000 units at \$10.00 per unit. On April 7, 2021, the underwriter exercised the over-allotment option in part and purchased an additional 2,369,251 units, generating additional gross proceeds of \$23,692,510. Each unit consists of one Class A ordinary share, par value \$0.0001 per share, of the Company (“Class A Ordinary Shares” or “public shares”) and one-half of one redeemable warrant to purchase one Class A Ordinary Share. Simultaneously with the consummation of the IPO, BYTE completed the private placement of 1,030,000 private placement units (the “Private Placement Units”) at a purchase price of \$10.00 per Private Placement Unit to the Sponsor, generating gross proceeds to us of \$10,300,000. Following the closing of the IPO and over-allotment, a total of \$323,692,510 (\$10.00 per unit) of the net proceeds from its IPO and the sale of the Private Placement Units were placed in a trust account (the “Trust Account”) with Continental Stock Transfer & Trust Company (“Continental”) acting as trustee. Our charter provides for the return of the IPO proceeds held in the Trust Account to the holders of public shares if we do not complete our initial business combination by March 23, 2023.

While the Company is currently in discussions regarding various business combination opportunities, the Board has determined that there may not be sufficient time before March 23, 2023 to complete an initial business combination. Therefore, the Board has determined that it is in the best interests of the Company’s shareholders to extend the date by which the Company has to complete an initial business combination to September 25, 2023 (the “Extended Date”).

What is being voted on?

You are being asked to vote on the following proposals:

1. as a special resolution, to amend the Company’s Amended and Restated Memorandum and Articles of Association (the “Charter”) pursuant to an amendment to the Charter in the form set forth in Annex A of the accompanying proxy statement to extend the date by which the Company must (1) consummate an initial business combination, (2) cease its operations except for the purpose of winding up if it fails to complete such initial business combination, and (3) redeem all of the Class A Ordinary Shares included as part of the units sold in the IPO, from March 23, 2023, to the Extended Date (the “Extension,” and such proposal, the “Extension Proposal”);
2. as a special resolution, to amend the Charter pursuant to an amendment to the Charter in the form set forth in Annex A of the accompanying proxy statement to amend the Charter to provide for the right of a holder of the Class B Ordinary Shares to convert into Class A Ordinary Shares on a one-for-one basis prior to the closing of an initial business combination at the election of the holder (the “Founder Share Amendment,” and such proposal, the “Founder Share Amendment Proposal”); and

3. as an ordinary resolution, to approve the adjournment of the Extraordinary General Meeting to a later date or dates, if necessary or convenient, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Extension Proposal or the Founder Share Amendment Proposal (the “Adjournment Proposal”), which will only be presented at the Extraordinary General Meeting if, based on the tabulated votes, there are not sufficient votes at the time of the Extraordinary General Meeting to approve the Extension Proposal or the Founder Share Amendment Proposal, in which case the Adjournment Proposal will be the only proposal presented at the Extraordinary General Meeting.

You are not being asked to vote on an initial business combination at this time. If the Extension is implemented and you do not elect to redeem your public shares, you will retain the right to vote on our initial business combination if and when it is submitted to shareholders and the right to redeem your public shares for cash in the event an initial business combination is approved and completed or the Company has not consummated an initial business combination by the Extended Date.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our Board. Kobi Rozengarten and Sam Gloor have been designated as proxies by our Board. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Extraordinary General Meeting in accordance with the instructions of the shareholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our Board as described below. If any matters not described in this proxy statement are properly presented at the Extraordinary General Meeting, the proxy holders will use their own judgment to determine how to vote the shares. If the Extraordinary General Meeting is adjourned, the proxy holders can vote the shares on the new Extraordinary General Meeting date as well, unless you have properly revoked your proxy instructions, as described elsewhere herein.

Can I attend the Extraordinary General Meeting?

The Extraordinary General Meeting will be held at 11:00 a.m., Eastern Time, on March 16, 2023, at the offices of White & Case LLP, located at 1221 Avenue of the Americas, New York, New York 10020, or virtually via live webcast. You will be able to attend the Extraordinary General Meeting online, vote and submit your questions during the Extraordinary General Meeting by visiting <https://www.cstproxy.com/byteacquisition/2023>. The Extraordinary General Meeting will comply with the meeting rules of conduct. The rules of conduct will be posted on the virtual meeting web portal. We encourage you to access the Extraordinary General Meeting webcast prior to the start time. Online check-in will begin fifteen minutes prior to the start time of the Extraordinary General Meeting, and you should allow ample time for the check-in procedures. While shareholders are encouraged to attend the meeting virtually, you will be permitted to attend the Extraordinary General Meeting in person at the offices of White & Case LLP. You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage-paid envelope. If you hold your shares in “street name,” which means your shares are held of record by a broker, bank or nominee, you should contact your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or nominee with instructions on how to vote your shares.

Why should I vote to approve the Extension?

Our Board believes shareholders will benefit from the Company consummating an initial business combination and is proposing the Extension to extend the date by which the Company has to complete an initial business combination until the Extended Date. The Extension would give the Company the opportunity to complete its initial business combination.

The Charter currently provides that if the Company does not complete an initial business combination by March 23, 2023, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares, which redemption will completely extinguish public

[Table of Contents](#)

shareholders' rights as shareholders (including the right to receive further liquidation distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject, in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of applicable law.

We believe that the provisions of the Charter described in the preceding paragraph were included to protect the Company's shareholders from having to sustain their investments for an unreasonably long period if the Company failed to find a suitable initial business combination in the timeframe contemplated by the Charter. We also believe, however, that given the Company's expenditure of time, effort and money on pursuing an initial business combination and our belief that an initial business combination offers an attractive investment for our shareholders, the Extension is warranted.

In connection with the Extension, public shareholders may elect to redeem their shares for a pershare price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then-issued and outstanding Class A Ordinary Shares, regardless of how such public shareholders vote on the Extension Proposal or the Founder Share Amendment Proposal, or if they vote at all. We will not proceed with the Extension if redemptions of public shares cause us to have less than \$5,000,001 of net tangible assets following approval of the Extension Proposal. The Extension Proposal is also conditioned upon receipt of no more than 80% of the public shares being put to us for redemption, which requires that a substantial number of public shareholders do not redeem or redeem only a portion of their public shares. The Board reserves the right to waive such condition and proceed with the Extension Proposal, in its sole discretion.

Liquidation of the Trust Account is a fundamental obligation of the Company to the public shareholders and the Company is not proposing and will not propose to change that obligation to the public shareholders. If holders of public shares do not elect to redeem their public shares, such holders shall retain redemption rights in connection with an initial business combination. Assuming the Extension is approved, the Company will have until the Extended Date to complete an initial business combination, unless the Company obtains any additional extension.

Our Board recommends that you vote in favor of the Extension Proposal and the Founder Share Amendment Proposal, but expresses no opinion as to whether you should redeem your public shares.

Why should I vote to approve the Founder Share Amendment Proposal?

The Board believes that our shareholders should have an opportunity to consider an initial business combination. Accordingly, the Founder Share Amendment Proposal is intended to give the Company the opportunity to complete an initial business combination.

Moreover, voting FOR the Founder Share Amendment Proposal will not affect your right to seek redemption of your public shares in connection with the vote to approve an initial business combination.

The Board recommends that you vote in favor of the Founder Share Amendment Proposal.

How do the Company insiders intend to vote their shares?

The Sponsor, the Company's directors, officers and initial shareholders and their permitted transferees (collectively, the "Initial Shareholders") are expected to vote any Class A Ordinary Shares and Class B Ordinary Shares (together, the "Ordinary Shares") over which they have voting control in favor of the Extension Proposal, the Founder Share Amendment Proposal and, if presented, the Adjournment Proposal.

The Initial Shareholders are not entitled to redeem any Ordinary Shares held by them. On the record date, the Initial Shareholders beneficially owned and were entitled to vote 9,122,313 Ordinary Shares, which represents 22.0% of the Company's issued and outstanding Ordinary Shares.

Subject to applicable securities laws (including with respect to material nonpublic information), the Sponsor, the Company's directors, officers, advisors or any of their respective affiliates may (i) purchase public shares from institutional and other investors (including those who vote, or indicate an intention to vote, against any of the proposals presented at the Extraordinary General Meeting, or elect to redeem, or indicate an intention to redeem,

[Table of Contents](#)

public shares), (ii) enter into transactions with such investors and others to provide them with incentives to not redeem their public shares, or (iii) execute agreements to purchase such public shares from such investors or enter into non-redemption agreements in the future. In the event that the Sponsor, the Company's directors, officers, advisors or any of their respective affiliates purchase public shares in situations in which the tender offer rules restrictions on purchases would apply, they (a) would purchase the public shares at a price no higher than the price offered through the Company's redemption process (i.e., approximately \$[] per share, based on the amounts held in the Trust Account as of the Record Date (including interest not previously released to BYTE to pay its taxes)); (b) would represent in writing that such public shares will not be voted in favor of approving the Extension; and (c) would waive in writing any redemption rights with respect to the public shares so purchased.

To the extent any such purchases by the Sponsor, the Company's directors, officers, advisors or any of their respective affiliates are made in situations in which the tender offer rules restrictions on purchases apply, the Company will disclose in a Current Report on Form 8-K prior to the Extraordinary General Meeting the following: (i) the number of public shares purchased outside of the redemption offer, along with the purchase price(s) for such public shares; (ii) the purpose of any such purchases; (iii) the impact, if any, of the purchases on the likelihood that the Extension will be approved; (iv) the identities of the securityholders who sold to the Sponsor, the Company's directors, officers, advisors or any of their respective affiliates (if not purchased on the open market) or the nature of the securityholders (e.g., 5% security holders) who sold such public shares; and (v) the number of Ordinary Shares for which the Company has received redemption requests pursuant to its redemption offer.

The purpose of such share purchases and other transactions would be to increase the likelihood of (i) otherwise limiting the number of public shares electing to redeem and (ii) the Company's net tangible assets (as determined in accordance with Rule 3a51(g)(1) of the Exchange Act) being at least \$5,000,001.

If such transactions are effected, the consequence could be to cause the Extension to be effectuated in circumstances where such effectuation could not otherwise occur. Consistent with SEC guidance, purchases of shares by the persons described above would not be permitted to be voted for the Extension at the Extraordinary General Meeting and could decrease the chances that the Extension would be approved. In addition, if such purchases are made, the public "float" of our securities and the number of beneficial holders of our securities may be reduced, possibly making it difficult to maintain or obtain the quotation, listing or trading of our securities on a national securities exchange.

The Company hereby represents that any Company securities purchased by the Sponsor, the Company's directors, officers, advisors or any of their respective affiliates in situations in which the tender offer rules restrictions on purchases would apply would not be voted in favor of approving the Extension Proposal or the Founder Share Amendment Proposal.

Who is the Company's Sponsor?

The Company's Sponsor is BYTE Holdings LP, a Cayman Islands exempted limited partnership. The Sponsor currently owns an aggregate of 9,122,313 Ordinary Shares, which consists of 8,092,313 Class B Ordinary Shares and 1,030,000 Class A Ordinary Shares underlying the Private Placement Units held by the Sponsor. The members of our management team are among the members of our Sponsor. The Sponsor is controlled by its manager, Byte Holdings GP Corp., and Kobi Rozengarten, our Chairman, and Vadim Komissarov, one of the Company's directors, are the sole directors of Byte Holdings GP Corp. and share voting and investment discretion with respect to the Ordinary Shares held of record by Byte Holdings LP.

The Company's ability to complete an initial business combination with a U.S. target company may be impacted if such initial business combination is subject to U.S. foreign investment regulations and review by a U.S. government entity, such as the Committee on Foreign Investment in the United States ("CFIUS"), and ultimately prohibited.

The Sponsor, BYTE Holdings LP is a Cayman Islands exempted limited partnership, is likely to be considered a "foreign person" under the regulations administered by CFIUS. As such, an initial business combination with a U.S. business may be subject to CFIUS jurisdiction, the scope of which includes controlling investments (within the meaning of "control" under the CFIUS regulations) as well as certain non-passive, non-controlling investments in sensitive U.S. businesses meeting certain criteria. If the Company's potential initial business combination with a U.S. business falls within CFIUS's jurisdiction, the parties may determine that they are required to make a mandatory filing or that they will submit a voluntary filing to CFIUS, or to proceed with the initial business

[Table of Contents](#)

combination without notifying CFIUS and risk CFIUS intervention, before or after closing the initial business combination. CFIUS may decide to delay the initial business combination, impose conditions to mitigate national security concerns with respect to such initial business combination or recommend that the U.S. president block the initial business combination or order the Company to divest all or a portion of a U.S. business of the combined company, which may limit the attractiveness of or prevent the Company from pursuing certain initial business combination opportunities that it believes would otherwise be beneficial to the Company and its shareholders. As a result, the pool of potential targets with which the Company could complete an initial business combination may be impacted, and it may be adversely affected in terms of competing with other special purpose acquisition companies which do not have similar foreign ownership issues.

Moreover, the process of government review, whether by the CFIUS or otherwise, could be lengthy and the Company has limited time to complete its initial business combination. If the Company cannot complete its initial business combination by March 23, 2023 or by September 25, 2023, if the Extension is approved, or such later date that may be approved by the Company's shareholders, because the review process extends beyond such timeframe or because the initial business combination is ultimately prohibited by CFIUS or another U.S. government entity, the Company may be required to liquidate. If the Company liquidates, its public shareholders may only receive approximately \$[] per share (based on the amount held in the Trust Account as of the Record Date (including interest not previously released to BYTE to pay its taxes), and assuming the Extension is not approved), and the Company's warrants will expire worthless. This will also cause you to lose the investment opportunity in a target company and the chance of realizing future gains on your investment through any price appreciation in the combined company.

What vote is required to approve the Extension Proposal?

Approval of the Extension Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of the holders of at least two-thirds of the Ordinary Shares issued and outstanding, voting together as a single class, represented in person or by proxy and entitled to vote thereon and who do so in person or by proxy at the Extraordinary General Meeting. Ordinary Shares that are present virtually during the Extraordinary General Meeting constitute Ordinary Shares represented "in person."

What vote is required to approve the Founder Share Amendment Proposal?

Approval of the Founder Share Amendment Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of the holders of at least two-thirds of the Ordinary Shares issued and outstanding, voting together as a single class, represented in person or by proxy and entitled to vote thereon and who do so in person or by proxy at the Extraordinary General Meeting. Ordinary Shares that are present virtually during the Extraordinary General Meeting constitute Ordinary Shares represented "in person."

What vote is required to approve the Adjournment Proposal?

Approval of the Adjournment Proposal requires an ordinary resolution under Cayman Islands law, being the affirmative vote of a majority of the Ordinary Shares issued and outstanding, represented in person or by proxy and entitled to vote thereon and who do so in person or by proxy at the Extraordinary General Meeting.

What if I want to vote against or don't want to vote for any of the proposals?

If you do not want any of the proposals to be approved, you must abstain, not vote or vote against such proposal. A shareholder's failure to vote by proxy or to vote in person at the Extraordinary General Meeting will not be counted towards the number of Ordinary Shares required to validly establish a quorum. Abstentions will be counted in connection with the determination of whether a valid quorum is established.

Will you seek any further extensions to liquidate the Trust Account?

Other than the extension until the Extended Date as described in this proxy statement, we do not anticipate seeking any further extension to consummate an initial business combination.

What happens if the Extension Proposal is not approved?

If the Extension Proposal is not approved and we do not consummate an initial business combination by March 23, 2023, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the public shares, at a per-share price, payable in cash,

[Table of Contents](#)

equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares, which redemption will completely extinguish public shareholders' rights as shareholders (including the right to receive further liquidation distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject, in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of applicable law.

The Initial Shareholders have agreed to waive their respective rights to liquidating distributions from the Trust Account in respect of any Class B Ordinary Shares held by it or them, as applicable, if the Company fails to complete an initial business combination by March 23, 2023, or by the applicable deadline as may be extended, although they will be entitled to liquidating distributions from the Trust Account with respect to any Class A Ordinary Shares they hold if the Company fails to complete its initial business combination by such date. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial business combination by March 23, 2023 or by the applicable deadline as may be extended. The Company will pay the costs of liquidation from its remaining assets outside of the Trust Account.

If the Extension is approved, what happens next?

The Company is continuing its efforts to complete its initial business combination.

The Company is seeking approval of the Extension because the Company may not be able to complete an initial business combination prior to March 23, 2023. If the Extension is approved, the Company expects to continue evaluating business combination opportunities in pursuit of entering into a business combination agreement and seeking shareholder approval of an initial business combination. If shareholders approve an initial business combination, the Company expects to consummate such initial business combination as soon as possible following shareholder approval and satisfaction of the other conditions to the consummation of such initial business combination.

Upon approval of each of the Extension Proposal and the Founder Share Amendment Proposal by the holders of at least two-thirds of the Ordinary Shares represented in person or by proxy and entitled to vote thereon and who do so at the Extraordinary General Meeting, the Company will file an amendment to the Charter with the Cayman Islands Registrar of Companies (the "Cayman Registrar") in the form attached as Annex A hereto. The Company will remain a reporting company under the Exchange Act, and its units, Class A Ordinary Shares and public warrants will remain publicly traded.

If the Extension is approved, any removal of any Withdrawal Amount (defined as an amount equal to the number of public shares properly redeemed multiplied by the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares) from the Trust Account will reduce the amount remaining in the Trust Account and increase the percentage interest of Ordinary Shares held by the Sponsor through the Class B Ordinary Shares. We will not proceed with the Extension if redemptions of public shares cause us to have less than \$5,000,001 of net tangible assets following approval of the Extension. The Extension Proposal is also conditioned upon receipt of no more than 80% of the public shares being put to us for redemption, which requires that a substantial number of public shareholders do not redeem or redeem only a portion of their public shares. The Board reserves the right to waive such condition and proceed with the Extension Proposal, in its sole discretion.

If the Extension is approved, the Sponsor and/or its members will continue to receive payments from the Company of \$10,000 per month for office space and secretarial and administrative services provided to members of our management team until the earlier of the Company's consummation of an initial business combination or the Company's liquidation pursuant to the Administrative Services Agreement, dated as of March 18, 2021, by and between the Company and the Sponsor (the "Administrative Services Agreement").

What happens if the Founder Share Amendment Proposal is not approved?

Our Board will abandon the Founder Share Amendment if our shareholders do not approve the Founder Share Amendment Proposal. If the Founder Share Amendment Proposal is not approved, we believe it may reduce our flexibility to maintain a listing of our Class A Ordinary Shares.

Where will I be able to find the voting results of the Extraordinary General Meeting?

We will announce preliminary voting results at the Extraordinary General Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Extraordinary General Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Extraordinary General Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to such Current Report on Form 8-K as soon as they become available.

Would I still be able to exercise my redemption rights in connection with a vote to approve a proposed initial business combination?

Yes. Assuming you are a shareholder as of the record date for voting on a proposed initial business combination, you will be able to vote on a proposed initial business combination if and when it is submitted to shareholders. If you disagree with an initial business combination, you will retain your right to redeem your public shares upon consummation of such initial business combination, subject to any limitations set forth in our Charter.

How do I change my vote?

Shareholders may send a later-dated, signed proxy card to the Company at 445 Park Avenue, 9th Floor, New York, New York 10022, attn.: Sam Gloor, so that it is received prior to the vote at the Extraordinary General Meeting (which is scheduled to take place on March 16, 2023). Shareholders also may revoke their proxy by sending a notice of revocation to the Company's Chief Executive Officer, which must be received prior to the vote at the Extraordinary General Meeting, or by attending the Extraordinary General Meeting, revoking their proxy and voting in person. However, if your shares are held in "street name" by your broker, bank or another nominee, you must contact your broker, bank or other nominee to change your vote.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count "FOR" and "AGAINST" votes, abstentions and broker non-votes for each of the proposals. A shareholder's failure to vote by proxy or to vote in person at the meeting will not be counted towards the number of Ordinary Shares required to validly establish a quorum. Abstentions will be counted in connection with the determination of whether a valid quorum is established.

If my shares are held in "street name," will my broker automatically vote them for me?

If you do not give instructions to your broker, your broker can vote your shares with respect to "discretionary" items, but not with respect to "non-discretionary" items. We believe that each of the proposals are "non-discretionary" items.

Your broker can vote your shares with respect to "non-discretionary" items only if you provide instructions on how to vote. You should instruct your broker to vote your shares. Your broker can tell you how to provide these instructions. If you do not give your broker instructions, your shares will be treated as broker non-votes with respect to all proposals. Abstentions and broker non-votes, while considered present for the purposes of establishing a quorum, will not count as votes cast at the Extraordinary General Meeting.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Extraordinary General Meeting for the Extraordinary General Meeting to be properly held under our Charter and the Companies Act. The presence, in person, by proxy, or if a corporation or other non-natural person, by its duly authorized representative or proxy, of the holders of a majority of the issued and outstanding Ordinary Shares entitled to vote at the Extraordinary General Meeting constitutes a quorum. Proxies that are marked "abstain" and proxies relating to "street name" shares that

[Table of Contents](#)

are returned to us but marked by brokers as “not voted” (so-called “broker non-votes”) will be treated as shares present for purposes of determining the presence of a quorum on all matters. If a shareholder does not give the broker voting instructions, under applicable self-regulatory organization rules, its broker may not vote its shares on “non-discretionary” matters. We believe that each of the proposals is a “non-discretionary” matter.

Who can vote at the Extraordinary General Meeting?

Holders of our Ordinary Shares as of the close of business on February 21, 2023, the record date, are entitled to vote at the Extraordinary General Meeting. As of the record date, there were 41,491,564 Ordinary Shares issued and outstanding, consisting of 33,399,251 Class A Ordinary Shares and 8,092,313 Class B Ordinary Shares. In deciding all matters at the Extraordinary General Meeting, each shareholder will be entitled to one vote for each share held by them on the record date. Holders of Class A Ordinary Shares and holders of Class B Ordinary Shares will vote together as a single class on all matters submitted to a vote of our shareholders except as required by law. The Initial Shareholders collectively own all of our issued and outstanding Class B Ordinary Shares, constituting approximately 19.5% of our issued and outstanding Ordinary Shares.

Registered Shareholders. If our shares are registered directly in your name with our transfer agent, Continental, you are considered the shareholder of record with respect to those shares. As the shareholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Extraordinary General Meeting.

Street Name Shareholders. If our shares are held on your behalf in a brokerage account or by a bank or other nominee, you are considered the beneficial owner of those shares held in “street name,” and your broker or nominee is considered the shareholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee as to how to vote your shares. However, since a beneficial owner is not the shareholder of record, you may not vote your Ordinary Shares at the Extraordinary General Meeting unless you follow your broker’s procedures for obtaining a legal proxy. Throughout this proxy, we refer to shareholders who hold their shares through a broker, bank or other nominee as “street name shareholders.”

Does the Board recommend voting for the approval of the proposals?

Yes. After careful consideration of the terms and conditions of these proposals, the Board has determined that each of the proposals are in the best interests of the Company and its shareholders. The Board recommends that the Company’s shareholders vote “FOR” each of the proposals.

What interests do the Sponsor and the Company’s directors and officers have in the approval of the proposals?

The Sponsor and the Company’s directors and officers have interests in the proposals that may be different from, or in addition to, your interests as a shareholder. These interests include ownership of Class B Ordinary Shares, warrants contained in the Private Placement Units that may become exercisable in the future and the possibility of future compensatory arrangements. See the section entitled “*Proposal No. 1 — The Extension Proposal — Interests of the Sponsor and the Company’s Directors and Officers.*”

Are there any dissenter’s or appraisal or similar rights for dissenting shareholders?

Neither the Companies Act nor our Charter provide for appraisal or other similar rights for dissenting shareholders in connection with any of the proposals to be voted upon at the Extraordinary General Meeting. Accordingly, our shareholders will have no right to dissent and obtain payment for their shares.

What happens to the Company’s warrants if the Extension is not approved?

If the Extension is not approved and we do not consummate an initial business combination by March 23, 2023, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares, which redemption will completely extinguish public shareholders’ rights as shareholders (including the right to receive further liquidation distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject, in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for

claims of creditors and in all cases subject to the other requirements of applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial business combination by March 23, 2023 or by the applicable deadline as may be extended.

What happens to the Company's warrants if the Extension is approved?

If the Extension is approved, the Company will continue to attempt to consummate an initial business combination until the Extended Date and will retain the blank check company restrictions previously applicable to it. The warrants will remain outstanding in accordance with their terms.

How are the funds in the Trust Account currently being held?

With respect to the regulation of special purpose acquisition companies like the Company ("SPACs"), on March 30, 2022, the SEC issued proposed rules (the "SPAC Rule Proposals") relating to, among other items, disclosures in business combination transactions involving SPACs and private operating companies; the condensed financial statement requirements applicable to transactions involving shell companies; the use of projections by SPACs in SEC filings in connection with proposed business combination transactions; the potential liability of certain participants in proposed business combination transactions; and the extent to which SPACs could become subject to regulation under the Investment Company Act of 1940, as amended (the "Investment Company Act"), including a proposed rule that would provide SPACs a safe harbor from treatment as an investment company if they satisfy certain conditions that limit a SPAC's duration, asset composition, business purpose and activities.

There is currently uncertainty concerning the applicability of the Investment Company Act to a SPAC, including a company like ours, that does not complete its initial business combination within the proposed time frame set forth in the proposed safe harbor rule. As indicated above, we completed our IPO in March 23, 2021 and have operated as a blank check company searching for a target business with which to consummate an initial business combination since such time (or approximately 18 months after the effective date of our IPO, as of the date of this proxy statement). If we were deemed to be an investment company for purposes of the Investment Company Act, we might be forced to abandon our efforts to complete an initial business combination and instead be required to liquidate the Company. If we are required to liquidate the Company, our investors would not be able to realize the benefits of owning shares in a successor operating business, including the potential appreciation in the value of our shares and warrants following such a transaction, and our warrants would expire worthless.

The funds in the Trust Account have, since our IPO, been held only in U.S. government treasury obligations with a maturity of 185 days or less or in money market funds investing solely in U.S. government treasury obligations and meeting certain conditions under Rule 2a-7 under the Investment Company Act. However, to mitigate the risk of us being deemed to have been operating as an unregistered investment company (including under the subjective test of Section 3(a)(1)(A) of the Investment Company Act), we may, on or prior to the 24-month anniversary of the effective date of the registration statement filed in connection with our IPO (the "IPO Registration Statement"), should our Company continue to exist to such date, instruct Continental, the trustee with respect to the Trust Account, to liquidate the U.S. government treasury obligations or money market funds held in the Trust Account and thereafter to hold all funds in the Trust Account in cash until the earlier of consummation of our initial business combination or liquidation. As a result, following such liquidation, we will likely receive minimal interest, if any, on the funds held in the Trust Account, which would reduce the dollar amount our public shareholders would receive upon any redemption or liquidation of the Company.

In addition, even prior to the 24-month anniversary of the effective date of the IPO Registration Statement, we may be deemed to be an investment company. The longer that the funds in the Trust Account are held in short-term U.S. government securities or in money market funds invested exclusively in such securities, even prior to the 24-month anniversary, there is a greater risk that we may be considered an unregistered investment company, in which case we may be required to liquidate. Accordingly, we may determine, in our discretion, to liquidate the securities held in the Trust Account at any time, even prior to the 24-month anniversary, and instead hold all funds in the Trust Account in cash, which would further reduce the dollar amount our public shareholders would receive upon any redemption or our liquidation.

How do I vote?

If you are a holder of record of Ordinary Shares on February 21, 2023, the record date for the Extraordinary General Meeting, you may vote in person or by virtual attendance at the Extraordinary General Meeting or by submitting a proxy for the Extraordinary General Meeting. You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage-paid envelope. If you hold your shares in “street name,” which means your shares are held of record by a broker, bank or nominee, you should contact your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or nominee with instructions on how to vote your shares or, if you wish to attend the Extraordinary General Meeting and vote in person, obtain a valid proxy from your broker, bank or nominee.

How do I redeem my Ordinary Shares?

Pursuant to the Charter, a public shareholder may request that the Company redeem all or a portion of such public shareholder’s public shares for cash if the Extension Proposal or the Founder Share Amendment Proposal is approved. You will be entitled to receive cash for any public shares to be redeemed only if you:

- (i) (a) hold public shares or (b) hold public shares as part of units and elect to separate such units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- (ii) prior to 5:00 p.m., Eastern Time, on March 14, 2023 (two business days prior to the vote at the Extraordinary General Meeting), (a) submit a written request to Continental, the Company’s transfer agent, that the Company redeem your public shares for cash and (b) deliver your public shares to the transfer agent, physically or electronically through The Depository Trust Company.

Holders of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If holders hold their units in an account at a brokerage firm or bank, holders must notify their broker or bank that they elect to separate the units into the underlying public shares and public warrants, or if a holder holds units registered in its own name, the holder must contact the transfer agent directly and instruct it to do so. Public shareholders may elect to redeem all or a portion of their public shares even if they vote for the Extension Proposal or the Founder Share Amendment Proposal.

Based upon the amount held in the Trust Account as of the Record Date (including interest not previously released to BYTE to pay its taxes), the Company estimates that the per-share price at which public shares may be redeemed from cash held in the Trust Account will be approximately \$[] at the time of the Extraordinary General Meeting. The closing price of a Class A Ordinary Share on the Record Date, was \$[]. The Company cannot assure shareholders that they will be able to sell their Class A Ordinary Shares in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such shareholders wish to sell their shares.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards, if your shares are registered in more than one name or are registered in different accounts. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Please complete, sign, date and return each proxy card and voting instruction card that you receive in order to cast a vote with respect to all of your shares.

THE EXTRAORDINARY GENERAL MEETING

Date, Time, Place and Purpose of the Extraordinary General Meeting

The Extraordinary General Meeting will be held in person or by proxy on March 16, 2023, at 11:00 a.m., Eastern Time, at the offices of White & Case LLP located at 1221 Avenue of the Americas, New York, New York 10020, or virtually via live webcast at <https://www.cstproxy.com/byteacquisition/2023>, to consider and vote upon the proposals to be put to the Extraordinary General Meeting. While shareholders are encouraged to attend the meeting virtually, you will be permitted to attend the Extraordinary General Meeting in person at the offices of White & Case LLP.

At the Extraordinary General Meeting, you will be asked to consider and vote on proposals to:

1. **Proposal No. 1 — The Extension Proposal** — as a special resolution, to amend the Company’s Charter pursuant to an amendment to the Charter in the form set forth in Annex A of the accompanying proxy statement to extend the date by which the Company must (1) consummate a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination (an “initial business combination”), (2) cease its operations except for the purpose of winding up if it fails to complete such initial business combination and (3) redeem all of the Class A Ordinary Shares, from March 23, 2023, to the Extended Date;
2. **Proposal No. 2 — The Founder Share Amendment Proposal** — as a special resolution, to amend the Charter pursuant to an amendment to the Charter in the form set forth in Annex A of the accompanying proxy statement to amend the Charter to provide for the right of a holder of the Class B Ordinary Shares to convert into Class A Ordinary Shares on a one-for-one basis prior to the closing of an initial business combination at the election of the holder; and
3. **Proposal No. 3 — The Adjournment Proposal** — as an ordinary resolution, to approve the adjournment of the Extraordinary General Meeting to a later date or dates, if necessary or convenient, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the Extension Proposal or the Founder Share Amendment Proposal, which will only be presented at the Extraordinary General Meeting if, based on the tabulated votes, there are not sufficient votes at the time of the Extraordinary General Meeting to approve the Extension Proposal or the Founder Share Amendment Proposal, in which case the Adjournment Proposal will be the only proposal presented at the Extraordinary General Meeting.

Voting Power; Record Date

Only shareholders of record of the Company as of the close of business on February 21, 2023, are entitled to notice of, and to vote at, the Extraordinary General Meeting or any adjournment or postponement thereof. Each Ordinary Share entitles the holder thereof to one vote. If your shares are held in “street name” or are in a margin or similar account, you should contact your broker to ensure that votes related to the shares you beneficially own are properly counted. On the record date, there were 41,491,564 Ordinary Shares issued and outstanding, including 33,399,251 Class A Ordinary Shares (including 32,369,251 Class A Ordinary Shares issued in connection with the IPO and 1,030,000 Class A Ordinary Shares underlying the Private Placement Units held by the Sponsor and purchased simultaneously with the consummation of the IPO) and 8,092,313 Class B Ordinary Shares. The Company’s warrants do not have voting rights in connection with the proposals.

Quorum and Vote of Shareholders

A quorum is the minimum number of shares required to be present at the Extraordinary General Meeting for the Extraordinary General Meeting to be properly held under our Charter and the Companies Act. The presence, in person, by proxy, or if a corporation or other non-natural person, by its duly authorized representative or proxy, of the holders of a majority of the issued and outstanding Ordinary Shares entitled to vote at the Extraordinary General Meeting constitutes a quorum. Ordinary Shares that are present virtually during the Extraordinary General Meeting constitute Ordinary Shares represented “in person.” Proxies that are marked “abstain” and proxies relating to “street name” shares that are returned to us but marked by brokers as “not voted” (so-called “broker non-votes”) will be treated as shares present for purposes of determining the presence of a quorum on all matters.

[Table of Contents](#)

If a shareholder does not give the broker voting instructions, under applicable self-regulatory organization rules, its broker may not vote its shares on “non-discretionary” matters. We believe each of the proposals constitutes a “non-discretionary” matter.

Votes Required

Approval of each of the Extension Proposal and the Founder Share Amendment Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of holders of at least two-thirds of the Ordinary Shares issued and outstanding, represented in person or by proxy and entitled to vote thereon and who do so at the Extraordinary General Meeting. Abstentions and broker non-votes, while considered present for the purposes of establishing a quorum, will not count as votes cast at the Extraordinary General Meeting.

Approval of the Adjournment Proposal requires an ordinary resolution under Cayman Islands law, being the affirmative vote of a majority of the Ordinary Shares issued and outstanding, represented in person or by proxy and entitled to vote thereon and who vote at the Extraordinary General Meeting. Abstentions and broker non-votes, while considered present for the purposes of establishing a quorum, will not count as votes cast at the Extraordinary General Meeting.

If you do not want any of the proposals to be approved, you must abstain, not vote or vote against such proposal. A shareholder’s failure to vote by proxy or to vote in person at the Extraordinary General Meeting will not be counted towards the number of Ordinary Shares required to validly establish a quorum. Abstentions will be counted in connection with the determination of whether a valid quorum is established.

Voting

Our Board is asking for your proxy. Giving our Board your proxy means you authorize it to vote your shares at the Extraordinary General Meeting in the manner you direct. You may vote for or withhold your vote for the proposal or you may abstain from voting. All valid proxies received prior to the Extraordinary General Meeting will be voted. All shares represented by a proxy will be voted, and where a shareholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If no choice is indicated on the proxy, the shares will be voted “FOR” each of the proposals and as the proxy holders may determine in their discretion with respect to any other matters that may properly come before the Extraordinary General Meeting.

You can vote your shares at the Extraordinary General Meeting in person or by proxy. You may attend the Extraordinary General Meeting via live webcast. You will be able to attend the Extraordinary General Meeting online, vote and submit your questions during the Extraordinary General Meeting by visiting <https://www.cstproxy.com/byteacquisition/2023>. You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage-paid envelope. If you hold your shares in “street name,” which means your shares are held of record by a broker, bank or nominee, you should contact your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or nominee with instructions on how to vote your shares or, if you wish to attend the Extraordinary General Meeting and vote in person, obtain a valid proxy from your broker, bank or nominee.

Proxies that are marked “abstain” and proxies relating to “street name” shares that are returned to us but marked by brokers as “not voted” (so-called “broker non-votes”) will be treated as shares present for purposes of determining the presence of a quorum on all matters. If a shareholder does not give the broker voting instructions, under applicable self-regulatory organization rules, its broker may not vote its shares on “non-discretionary” matters. We believe each of the proposals constitutes a “non-discretionary” matter.

Shareholders who have questions or need assistance in completing or submitting their proxy cards should contact our proxy solicitor, Morrow, at (800) 662-5200 or by sending a letter to 333 Ludlow Street, 5th Floor, South Tower, Stamford, CT 06902, or by emailing BYTS.info@investor.morrowsodali.com.

Revocability of Proxies

Shareholders may send a later-dated, signed proxy card to the Company at 445 Park Avenue, 9th Floor, New York, New York 10022, attn.: Sam Gloor, so that it is received prior to the vote at the Extraordinary General Meeting (which is scheduled to take place on March 16, 2023) or attend the Extraordinary General Meeting in person or virtually and vote. Shareholders also may revoke their proxy by sending a notice of revocation to the Company's Chief Executive Officer, which must be received prior to the vote at the Extraordinary General Meeting. However, if your shares are held in "street name" by your broker, bank or another nominee, you must contact your broker, bank or other nominee to change your vote.

Attendance at the Extraordinary General Meeting

The Extraordinary General Meeting will be held in person or by proxy at 11:00 a.m., Eastern Time, on March 16, 2023, at the offices of White & Case LLP, located at 1221 Avenue of the Americas, New York, New York 10020, or virtually via live webcast online at <https://www.cstproxy.com/byteacquisition/2023>. While shareholders are encouraged to attend the meeting virtually, you will be permitted to attend the Extraordinary General Meeting in person at the offices of White & Case LLP. You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage-paid envelope. If you hold your shares in "street name," which means your shares are held of record by a broker, bank or nominee, you should contact your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or nominee with instructions on how to vote your shares or, if you wish to attend the Extraordinary General Meeting and vote in person, obtain a valid proxy from your broker, bank or nominee.

Solicitation of Proxies

The Company is soliciting proxies for use at the Extraordinary General Meeting. All costs associated with this solicitation will be borne directly by the Company. We have engaged Morrow to assist in the solicitation of proxies for the Extraordinary General Meeting. We have agreed to pay Morrow a fee of \$27,500, plus associated disbursements for the Extraordinary General Meeting (including a one-time \$10,000 advance against such disbursements), and will reimburse Morrow for its reasonable out-of-pocket expenses and indemnify Morrow against certain losses, damages, expenses, liabilities or claims. We will also reimburse banks, brokers and other custodians, nominees and fiduciaries representing beneficial owners of Class A Ordinary Shares for their expenses in forwarding soliciting materials to beneficial owners of Class A Ordinary Shares and in obtaining voting instructions from those owners. Our directors and officers may also solicit proxies by telephone, by facsimile, by mail, on the Internet or in person. They will not be paid any additional amounts for soliciting proxies. Some banks and brokers have customers who beneficially own Ordinary Shares listed of record in the names of nominees. We intend to request banks and brokers to solicit such customers and will reimburse them for their reasonable out-of-pocket expenses for such solicitations. If any additional solicitation of the holders of our outstanding Ordinary Shares is deemed necessary, we (through our directors and officers) anticipate making such solicitation directly.

Dissenters' Rights of Appraisal

Neither the Companies Act nor our Articles provide for appraisal or other similar rights for dissenting shareholders in connection with any of the proposals to be voted upon at the Extraordinary General Meeting. Accordingly, our shareholders will have no right to dissent and obtain payment for their shares.

Shareholder Proposals

No business may be transacted at any annual general meeting or extraordinary general meeting other than business that is either (i) specified in the notice of the general meeting (or any supplement thereto) given by or at the direction of the directors of the Company or (ii) otherwise properly brought before the general meeting in accordance with the requirements set forth in the Charter.

Other Business

The Board does not know of any other matters to be presented at the Extraordinary General Meeting. PROPOSAL NO. 1 — THE EXTENSION PROPOSAL

Background

On January 22, 2021, the Sponsor purchased an aggregate of 8,625,000 Class B Ordinary Shares for an aggregate purchase price of \$25,000, or approximately \$0.003 per share. On April 7, 2021, the underwriter of the IPO exercised its over-allotment option in part, and as a result, 532,687 Class B Ordinary Shares were forfeited.

On March 23, 2021, the Company completed its IPO of 30,000,000 units at a price of \$10.00 per unit generating gross proceeds to the Company of \$300,000,000 before underwriting discounts and expenses. On April 7, 2021, the underwriter exercised the over-allotment option in part and purchased an additional 2,369,251 units, generating additional gross proceeds of \$23,692,510. Each unit consists of one Class A Ordinary Share and one-half of one public warrant. Each whole public warrant entitles the holder thereof to purchase one Class A Ordinary Share at a price of \$11.50 per share, subject to certain adjustments. Simultaneously with the closing of the IPO, the Company completed the private placement of 1,030,000 Private Placement Units at a price of \$10.00 per Private Placement Unit to the Sponsor, generating gross proceeds to the Company of \$10,300,000. A total of \$323,692,510 of the net proceeds from the Company's IPO and the sale of the Private Placement Units were placed in the Trust Account, with Continental acting as trustee.

The Extension

We are proposing to amend the Charter by special resolution pursuant to an amendment to the Charter in the form set forth in Annex A hereof to extend the date by which the Company must (1) consummate its initial business combination, (2) cease its operations except for the purpose of winding up if it fails to complete such initial business combination, and (3) redeem all of the Class A Ordinary Shares from March 23, 2023 to the Extended Date.

Reasons for the Proposal

The Charter provides that we have until March 23, 2023, to complete an initial business combination. While the Company is currently in discussions regarding various business combination opportunities, the Board has determined that there may not be sufficient time before March 23, 2023 to complete an initial business combination. Accordingly, the Board believes that in order to be able to complete an initial business combination, it is appropriate to continue the Company's existence until the Extended Date. The Board believes that an initial business combination opportunity is in the best interests of the Company and its shareholders. Therefore, the Board has determined that it is in the best interests of the Company's shareholders to extend the date by which the Company must complete an initial business combination to the Extended Date.

The Charter currently provides that if the Company does not complete an initial business combination by March 23, 2023, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares, which redemption will completely extinguish public shareholders' rights as shareholders (including the right to receive further liquidation distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the remaining public shareholders and the Board, liquidate and dissolve, subject, in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of applicable law.

We believe that the provision of the Charter described in the preceding paragraph was included to protect the Company's shareholders from having to sustain their investments for an unreasonably long period if the Company failed to find a suitable initial business combination in the timeframe contemplated by the Charter. We also believe, however, that given the Company's expenditure of time, effort and money on pursuing an initial business combination and our belief that an initial business combination offers an attractive investment for our shareholders, the Extension is warranted.

The Company is not asking you to vote on any proposed initial business combination at this time. If the Extension is implemented and you do not elect to redeem your public shares, you will retain the right to vote on any proposed initial business combination when it is submitted to shareholders in the future and the right to redeem your public

[Table of Contents](#)

shares at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares, in the event the proposed initial business combination is approved and completed or the Company has not consummated an initial business combination by the Extended Date.

The Sponsor

The Company's Sponsor is BYTE Holdings LP, a Cayman Islands exempted limited partnership. The Sponsor (whose members include certain of the Company's directors and officers) currently owns an aggregate of 9,122,313 Ordinary Shares, which consists of 8,092,313 Class B Ordinary Shares and 1,030,000 Class A Ordinary Shares underlying the Private Placement Units held by the Sponsor.

If the Extension Is Not Approved

If the Extension Proposal is not approved and we do not consummate an initial business combination by March 23, 2023, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares, which redemption will completely extinguish public shareholders' rights as shareholders (including the right to receive further liquidation distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the remaining public shareholders and the Board, liquidate and dissolve, subject, in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of applicable law.

The Initial Shareholders have agreed to waive their respective rights to liquidating distributions from the Trust Account in respect of any Class B Ordinary Shares held by it or them, as applicable, if the Company fails to complete an initial business combination by March 23, 2023, or by the applicable deadline as may be extended, although they will be entitled to liquidating distributions from the Trust Account with respect to any Class A Ordinary Shares they hold if the Company fails to complete its initial business combination by such date. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial business combination by March 23, 2023 or by the applicable deadline as may be extended. The Company will pay the costs of liquidation from its remaining assets outside of the Trust Account.

If the Extension Is Approved

If the Extension is approved, the Company will file the amendment to the Charter with the Cayman Registrar in the form of Annex A hereto to extend the time it has to complete an initial business combination until the Extended Date. The Company will remain a reporting company under the Exchange Act, and its units, Class A Ordinary Shares and public warrants will remain publicly traded. The Company will then continue to work to consummate its initial business combination by the Extended Date.

You are not being asked to vote on an initial business combination at this time. If the Extension is implemented and you do not elect to redeem your public shares, you will retain the right to vote on our initial business combination if and when it is submitted to shareholders and the right to redeem your public shares for cash in the event an initial business combination is approved and completed or the Company has not consummated an initial business combination by the Extended Date.

If the Extension Proposal is approved, and the Extension is implemented, the amount held in the Trust Account will be reduced by withdrawals in connection with any shareholder redemptions. The Company cannot predict the amount that will remain in the Trust Account if the Extension is approved, and the amount remaining in the Trust Account may be significantly less than the \$[] that was in the Trust Account as of the Record Date. The Company may need to obtain additional funds to complete its initial business combination, and there can be no assurance that such funds will be available on terms acceptable to the parties or at all. Additionally, we will not proceed with the Extension if the number of redemptions of our public shares cause us to have less than \$5,000,001 of net tangible assets following approval of the Extension. The Extension Proposal is also conditioned upon receipt of no more

[Table of Contents](#)

than 80% of the public shares being put to us for redemption, which requires that a substantial number of public shareholders do not redeem or redeem only a portion of their public shares. The Board reserves the right to waive such condition and proceed with the Extension Proposal, in its sole discretion.

If the Extension is approved, the Sponsor and/or its members will continue to receive payments from the Company of \$10,000 per month for office space and secretarial and administrative services provided to members of our management team until the earlier of the Company's consummation of an initial business combination or the Company's liquidation pursuant to the Administrative Services Agreement.

Redemption Rights

In connection with the approval of the Extension, each public shareholder may seek to redeem his, her or its public shares. Holders of public shares who do not elect to redeem their public shares in connection with the Extension will retain the right to redeem their public shares in connection with any shareholder vote to approve a proposed initial business combination, or if the Company has not consummated an initial business combination by the Extended Date.

TO DEMAND REDEMPTION, YOU MUST ENSURE YOUR BANK OR BROKER COMPLIES WITH THE REQUIREMENTS IDENTIFIED HEREIN, INCLUDING SUBMITTING A WRITTEN REQUEST THAT YOUR SHARES BE REDEEMED FOR CASH TO THE TRANSFER AGENT AND DELIVERING YOUR SHARES TO THE TRANSFER AGENT PRIOR TO 5:00 P.M. EASTERN TIME ON MARCH 14, 2023. You will only be entitled to receive cash in connection with a redemption of these shares if you continue to hold them until the effective date of the Extension and redemptions.

Pursuant to the Charter, a public shareholder may request that the Company redeem all or a portion of such public shareholder's public shares for cash if the Extension is approved. You will be entitled to receive cash for any public shares to be redeemed only if you:

- (i) (a) hold public shares or (b) hold public shares as part of units and elect to separate such units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- (ii) prior to 5:00 p.m., Eastern Time, on March 14, 2023 (two business days prior to the vote at the Extraordinary General Meeting), (a) submit a written request to Continental, the Company's transfer agent, that the Company redeem your public shares for cash and (b) deliver your public shares to the transfer agent, physically or electronically through The Depository Trust Company ("DTC").

Holders of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If holders hold their units in an account at a brokerage firm or bank, holders must notify their broker or bank that they elect to separate the units into the underlying public shares and public warrants, or if a holder holds units registered in its, his or her own name, the holder must contact the transfer agent directly and instruct it to do so. Public shareholders may elect to redeem all or a portion of their public shares even if they vote for the Extension Proposal.

Through the Deposit Withdrawal at Custodian ("DWAC") system, this electronic delivery process can be accomplished by the shareholder, whether or not it is a record holder or its shares are held in "street name," by contacting the transfer agent or its broker and requesting delivery of its shares through the DWAC system. Delivering shares physically may take significantly longer. In order to obtain a physical share certificate, a shareholder's broker and/or clearing broker, DTC, and the Company's transfer agent will need to act together to facilitate this request. There is a nominal cost associated with the above-referenced tendering process and the act of certificating the shares or delivering them through the DWAC system. The transfer agent will typically charge a tendering broker fee and the broker would determine whether or not to pass this cost on to the redeeming holder. It is the Company's understanding that shareholders should generally allot at least two weeks to obtain physical certificates from the transfer agent. The Company does not have any control over this process or over the brokers or DTC, and it may take longer than two weeks to obtain a physical share certificate. Such shareholders will have less time to make their investment decision than those shareholders that deliver their shares through the DWAC system. Shareholders who request physical share certificates and wish to redeem may be unable to meet the deadline for tendering their shares before exercising their redemption rights and thus will be unable to redeem their shares.

Certificates that have not been tendered in accordance with these procedures prior to the vote on the Extension will not be redeemed for cash held in the Trust Account. In the event that a public shareholder tenders its shares and decides prior to the vote at the Extraordinary General Meeting that it does not want to redeem its shares, the shareholder may withdraw the tender. If you delivered your shares for redemption to our transfer agent and decide prior to the vote at the Extraordinary General Meeting not to redeem your shares, you may request that our transfer agent return the shares (physically or electronically). You may make such request by contacting our transfer agent at the address listed above. In the event that a public shareholder tenders shares and the Extension is not approved, these shares will not be redeemed and the physical certificates representing these shares will be returned to the shareholder promptly following the determination that the Extension will not be approved. The Company anticipates that a public shareholder who tenders shares for redemption in connection with the vote to approve the Extension would receive payment of the redemption price for such shares soon after the completion of the Extension. The transfer agent will hold the certificates of public shareholders that make the election until such shares are redeemed for cash or returned to such shareholders.

If properly demanded, the Company will redeem each public share for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then-issued and outstanding Class A Ordinary Shares. Based upon the amount held in the Trust Account as of the Record Date, which was \$[] (including interest not previously released to BYTE to pay its taxes), the Company estimates that the per-share price at which public shares may be redeemed from cash held in the Trust Account will be approximately \$[] at the time of the Extraordinary General Meeting. The closing price of a Class A Ordinary Share on the Record Date, was \$[]. The Company cannot assure shareholders that they will be able to sell their Class A Ordinary Shares in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such shareholders wish to sell their shares.

If you exercise your redemption rights, you will be exchanging your Ordinary Shares for cash and will no longer own such shares. You will be entitled to receive cash for these shares only if you properly demand redemption and tender your share certificate(s) (if any) and other redemption forms to the Company's transfer agent prior to the vote on the Extension Proposal. The Company anticipates that a public shareholder who tenders shares for redemption in connection with the vote to approve the Extension Proposal would receive payment of the redemption price for such shares soon after the completion of the Extension.

United States Federal Income Tax Considerations for Shareholders Exercising Redemption Rights

The following discussion is a summary of certain U.S. federal income tax considerations for U.S. Holders and Non-U.S. Holders (each as defined below, and together, "Holders") of Public Shares (i) of the Extension Proposal and the Founder Share Amendment Proposal and (ii) that elect to have their public shares redeemed for cash if the Extension Proposal or the Founder Share Amendment Proposal is approved. This section applies only to Holders that hold their public shares as "capital assets" for U.S. federal income tax purposes (generally, property held for investment). For purposes of this discussion, because the components of a unit are generally separable at the option of the holder, the holder of a unit generally should be treated, for U.S. federal income tax purposes, as the owner of the underlying public share and public warrant components of the unit, and the discussion below with respect to actual Holders of public shares also should apply to holders of units (as the deemed owners of the underlying public shares and public warrants that constitute the units). Accordingly, the separation of units into the public shares and public warrants underlying the units generally should not be a taxable event for U.S. federal income tax purposes. This position is not free from doubt, and no assurance can be given that the U.S. Internal Revenue Service ("IRS") would not assert, or that a court would not sustain, a contrary position. Holders of units are urged to consult their tax advisors concerning the U.S. federal, state, local and non-U.S. tax consequences of the proposals described in this proxy statement (including any redemption of the public shares in connection therewith) with respect to any public shares held through the units (including alternative characterizations of the units).

This discussion does not address the U.S. federal income tax consequences to the Sponsor or its affiliates, officers or directors of the Company, or to any person of holding Founder Shares or Private Placement Units. This discussion is limited to U.S. federal income tax considerations and does not address any estate or gift tax considerations or considerations arising under the tax laws of any U.S. state or local or non-U.S. jurisdiction. This discussion does not describe all of the U.S. federal income tax consequences that may be relevant to you in light of your particular

[Table of Contents](#)

circumstances, including the alternative minimum tax, the Medicare tax on certain investment income and the different consequences that may apply if you are subject to special rules under U.S. federal income tax law that apply to certain types of investors, such as:

- banks, financial institutions or financial services entities;
- broker-dealers;
- taxpayers that are subject to the mark-to-market accounting rules with respect to the public shares;
- tax-exempt entities;
- governments or agencies or instrumentalities thereof;
- insurance companies;
- regulated investment companies or real estate investment trusts;
- partnerships (including entities or arrangements treated as partnerships for U.S. federal income tax purposes) or pass-through entities (including S Corporations), or persons that hold the public shares through such a partnership or pass-through entity;
- U.S. expatriates or former long-term residents of the United States;
- persons that actually or constructively own five percent or more (by vote or value) of the Company's shares (except as specifically provided below);
- persons that acquired their public shares pursuant to an exercise of employee share options, in connection with employee share incentive plans or otherwise as compensation;
- persons that hold their public shares as part of a straddle, constructive sale, hedge, wash sale, conversion or other integrated or similar transaction;
- U.S. Holders (as defined below) whose functional currency is not the U.S. dollar; or
- "specified foreign corporations" (including "controlled foreign corporations"), "passive foreign investment companies" or corporations that accumulate earnings to avoid U.S. federal income tax.

If a partnership (or any entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds public shares, the tax treatment of such partnership and a person treated as a partner of such partnership will generally depend on the status of the partner and the activities of the partnership. Partnerships holding any public shares and persons that are treated as partners of such partnerships should consult their tax advisors as to the particular U.S. federal income tax consequences to them of the proposals described in this proxy statement and the exercise of redemption rights with respect to their public shares.

This discussion is based on the U.S. Internal Revenue Code of 1986, as amended (the "Code"), proposed, temporary and final Treasury Regulations promulgated thereunder, and judicial and administrative interpretations thereof, all as of the date hereof. All of the foregoing is subject to change, which change could apply retroactively and could affect the tax considerations described herein.

The Company has not sought, and does not intend to seek, any rulings from the IRS as to any U.S. federal income tax considerations described herein. There can be no assurance that the IRS will not take positions inconsistent with the considerations discussed below or that any such positions would not be sustained by a court.

THIS DISCUSSION IS ONLY A SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS ASSOCIATED WITH THE PROPOSALS DESCRIBED IN THIS PROXY STATEMENT AND THE EXERCISE OF REDEMPTION RIGHTS WITH RESPECT TO THE PUBLIC SHARES. EACH HOLDER SHOULD CONSULT ITS OWN TAX ADVISOR WITH RESPECT TO THE PARTICULAR TAX CONSEQUENCES TO SUCH HOLDER OF THE PROPOSALS AND AN EXERCISE OF REDEMPTION RIGHTS, INCLUDING THE APPLICABILITY AND EFFECTS OF U.S. FEDERAL NON-INCOME, STATE AND LOCAL AND NON-U.S. TAX LAWS.

Tax Treatment of Non-Redeeming Shareholders

A public shareholder who does not elect to redeem their public shares (including any public shareholder who votes in favor of the Extension Proposal or the Founder Share Amendment Proposal) will continue to own its public shares and will not recognize any income, gain or loss for U.S. federal income tax purposes solely as a result of the Extension Proposal or the Founder Share Amendment Proposal.

Tax Treatment of Redeeming Shareholders

U.S. Holders

As used herein, a “U.S. Holder” is a beneficial owner of a public share who or that is, for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation that is created or organized (or treated as created or organized) in or under the laws of the United States or any state thereof or the District of Columbia;
- an estate whose income is subject to U.S. federal income tax regardless of its source; or
- a trust if (1) a U.S. court can exercise primary supervision over the administration of such trust and one or more United States persons have the authority to control all substantial decisions of the trust or (2) it has a valid election in place to be treated as a United States person.

Tax Effects of Exercising Redemption Rights

Generally

The U.S. federal income tax consequences to a U.S. Holder of public shares that exercises its redemption rights with respect to its public shares to receive cash in exchange for all or a portion of its public shares will depend on whether the redemption qualifies as a sale of public shares under Section 302 of the Code. If the redemption qualifies as a sale of public shares by a U.S. Holder, the tax consequences to such U.S. Holder are as described below under the section entitled “— *Taxation of Redemption Treated as a Sale of Public Shares.*” If the redemption does not qualify as a sale of public shares, a U.S. Holder will be treated as receiving a corporate distribution with the tax consequences to such U.S. Holder as described below under the section entitled “— *Taxation of Redemption Treated as a Distribution.*”

Whether a redemption of public shares qualifies for sale treatment will depend largely on the total amount of shares in BYTE treated as held by the redeemed U.S. Holder before and after the redemption (including any shares constructively owned by the U.S. Holder as a result of owning warrants) relative to all of the shares of BYTE outstanding before and after the redemption. The redemption of public shares generally will be treated as a sale of public shares (rather than as a corporate distribution) if the redemption (1) is “substantially disproportionate” with respect to the U.S. Holder, (2) results in a “complete termination” of the U.S. Holder’s interest in BYTE or (3) is “not essentially equivalent to a dividend” with respect to the U.S. Holder. These tests are explained more fully below.

In determining whether any of the foregoing tests result in a redemption qualifying for sale treatment, a U.S. Holder takes into account not only shares of BYTE actually owned by the U.S. Holder, but also shares of BYTE that are constructively owned by it under certain attribution rules set forth in the Code. A U.S. Holder may constructively own, in addition to shares owned directly, shares owned by certain related individuals and entities in which the U.S. Holder has an interest or that have an interest in such U.S. Holder, as well as any shares that the U.S. Holder has a right to acquire by exercise of an option, which would generally include public shares which could be acquired pursuant to the exercise of public warrants.

In order to meet the substantially disproportionate test, the percentage of BYTE’s outstanding voting shares actually and constructively owned by the U.S. Holder immediately following the redemption of public shares must, among other requirements, be less than eighty percent (80%) of the percentage of BYTE’s outstanding voting shares

[Table of Contents](#)

actually and constructively owned by the U.S. Holder immediately before the redemption (taking into account redemptions by other holders of public shares). Prior to BYTE's initial business combination the public shares may not be treated as voting shares for this purpose, and consequently, this substantially disproportionate test may not be applicable. There will be a complete termination of a U.S. Holder's interest if either (1) all of the shares in BYTE actually and constructively owned by the U.S. Holder are redeemed or (2) all of the shares in BYTE actually owned by the U.S. Holder are redeemed and the U.S. Holder is eligible to waive, and effectively waives in accordance with specific rules, the attribution of shares owned by certain family members and the U.S. Holder does not constructively own any other shares of BYTE shares (including any shares constructively owned by the U.S. Holder as a result of owning warrants). The redemption of public shares will not be essentially equivalent to a dividend if the redemption results in a "meaningful reduction" of the U.S. Holder's proportionate interest in BYTE. Whether the redemption will result in a meaningful reduction in a U.S. Holder's proportionate interest in BYTE will depend on the particular facts and circumstances. However, the IRS has indicated in a published ruling that even a small reduction in the proportionate interest of a small minority shareholder in a publicly held corporation where such shareholder exercises no control over corporate affairs may constitute such a "meaningful reduction."

If none of the foregoing tests is satisfied, then the redemption of public shares will be treated as a corporate distribution to the redeemed U.S. Holder and the tax effects to such a U.S. Holder will be as described below under the section entitled "*— Taxation of Redemption Treated as a Distribution.*" After the application of those rules, any remaining tax basis of the U.S. Holder in the redeemed public shares will be added to the U.S. Holder's adjusted tax basis in its remaining shares of BYTE, or, if it has none, to the U.S. Holder's adjusted tax basis in its public warrants or possibly in other shares of BYTE constructively owned by the U.S. Holder.

U.S. Holders who actually or constructively own at least five percent (5%) by vote or value (or, if the public shares are not then considered to be publicly traded, at least one percent (1%) by vote or value) or more of the total outstanding shares in BYTE may be subject to special reporting requirements with respect to a redemption of public shares, and such holders should consult with their tax advisors with respect to their reporting requirements.

Taxation of Redemption Treated as a Distribution

If the redemption of a U.S. Holder's public shares is treated as a corporate distribution, as discussed above under the section entitled "*— Generally,*" subject to the passive foreign investment company ("PFIC") rules discussed below, the amount of cash received in the redemption generally will constitute a dividend for U.S. federal income tax purposes to the extent paid from BYTE's current or accumulated earnings and profits, as determined under U.S. federal income tax principles. Distributions in excess of BYTE's current and accumulated earnings and profits will constitute a return of capital that will be applied against and reduce (but not below zero) the U.S. Holder's adjusted tax basis in its public shares. Any remaining excess will be treated as gain realized on the sale of public shares and will be treated as described below under the section entitled "*— Taxation of Redemption Treated as a Sale of Public Shares.*"

Taxation of Redemption Treated as a Sale of Public Shares

If the redemption of a U.S. Holder's public shares is treated as a sale, as discussed above under the section entitled "*— Generally,*" subject to the PFIC rules discussed below, a U.S. Holder generally will recognize capital gain or loss in an amount equal to the difference between the amount of cash received in the redemption and the U.S. Holder's adjusted tax basis in the public shares redeemed. Any such capital gain or loss generally will be long-term capital gain or loss if the U.S. Holder's holding period for the public shares so disposed of exceeds one year. Long-term capital gains recognized by non-corporate U.S. Holders generally will be eligible to be taxed at reduced rates. The deductibility of capital losses is subject to limitations.

U.S. Holders who hold different blocks of public shares (including as a result of holding different blocks of public shares purchased or acquired on different dates or at different prices) should consult their tax advisors to determine how the above rules apply to them.

Passive Foreign Investment Company Rules Definition of a PFIC

A foreign (*i.e.*, non-U.S.) corporation will be classified as a PFIC for U.S. federal income tax purposes if either (i) at least 75% of its gross income in a taxable year, including its pro rata share of the gross income of any corporation in which it is considered to own at least 25% of the shares by value, is passive income or (ii) at least 50% of its assets in a taxable year (generally determined based on fair market value and averaged quarterly over the year), including its pro rata share of the assets of any corporation in which it is considered to own at least 25% of the shares by value, are held for the production of, or produce, passive income. Passive income generally includes, among other things, dividends, interest, rents and royalties (other than rents or royalties derived from the active conduct of a trade or business received from unrelated persons) and gains from the disposition of passive assets. The determination of whether a foreign corporation is a PFIC is made annually. Pursuant to a “startup exception,” a foreign corporation will not be a PFIC for the first taxable year the foreign corporation has gross income (the “startup year”) if (1) no predecessor of the foreign corporation was a PFIC; (2) the foreign corporation satisfies the IRS that it will not be a PFIC for either of the first two taxable years following the startup year; and (3) the foreign corporation is not in fact a PFIC for either of those years.

PFIC Status of BYTE

Based upon the composition of its income and assets, and upon a review of its financial statements, BYTE believes that it likely will not be eligible for the startup exception and therefore likely was a PFIC since its first taxable year and likely will be considered a PFIC for its current taxable year. However, BYTE’s actual PFIC status for any taxable year will not be determinable until after the end of such taxable year. Accordingly, there can be no assurance with respect to BYTE’s status as a PFIC for its current taxable year or any future taxable year. In addition, BYTE’s U.S. counsel expresses no opinion with respect to BYTE’s PFIC status for any taxable year.

Effects of PFIC Rules on Redemption

Although BYTE’s PFIC status is determined annually, an initial determination that BYTE is a PFIC generally will apply for subsequent years to a U.S. Holder who held public shares while BYTE was a PFIC, whether or not BYTE meets the test for PFIC status in those subsequent years. If BYTE has been classified as a PFIC at any time during a U.S. Holder’s holding period in its public shares, and the U.S. Holder has not timely made (a) a QEF Election (as defined below) for the first taxable year in which the U.S. Holder owned such public shares or in which BYTE was a PFIC, whichever is later (or a QEF Election along with a purging election) or an (b) an MTM Election (as defined below) with respect to such public shares, any gain recognized by the U.S. Holder on the sale or other disposition of such public shares (which may include gain realized by reason of transfers of public shares that would otherwise qualify as nonrecognition transactions for U.S. federal income tax purposes) and any “excess distribution” made to the U.S. Holder (generally, any distributions to such U.S. Holder during a taxable year of the U.S. Holder that are greater than 125% of the average annual distributions received by such U.S. Holder in respect of the public shares during the three preceding taxable years of such U.S. Holder or, if shorter, the portion of such U.S. Holder’s holding period for the public shares that preceded the taxable year of the distribution) would be taxed based on a complex set of computational rules designed to offset the tax deferral with respect to the undistributed earnings of BYTE. Under these rules (the “excess distribution regime”):

- the U.S. Holder’s gain or excess distribution will be allocated ratably over the U.S. Holder’s holding period for such U.S. Holder’s public shares;
- the amount allocated to the U.S. Holder’s taxable year in which the U.S. Holder recognized the gain or received the excess distribution, or to the period in the U.S. Holder’s holding period before the first day of BYTE’s first taxable year in which BYTE was a PFIC, will be taxed as ordinary income;
- the amount allocated to other taxable years (or portions thereof) of the U.S. Holder and included in such U.S. Holder’s holding period would be taxed at the highest tax rate in effect for that year and applicable to the U.S. Holder without regard to the U.S. Holder’s other items of income and loss for such year; and
- an additional amount equal to the interest charge generally applicable to underpayments of tax will be imposed on the U.S. Holder in respect of the tax attributable to each such other taxable year (described in the third bullet above) of such U.S. Holder.

QEF Election and Mark-to-Mark Election

As noted above, the impact of the PFIC rules on a U.S. Holder of public shares will depend on whether the U.S. Holder has made a timely and effective election to treat BYTE as a “qualified electing fund” under Section 1295 of the Code for the taxable year that is the first year in the U.S. Holder’s holding period of public shares during which BYTE qualified as a PFIC (a “QEF Election”) or, if in a later taxable year, the U.S. Holder made a QEF Election along with a purging election. One type of purging election creates a deemed sale of the U.S. Holder’s public shares at their then fair market value and requires the U.S. Holder to recognize gain pursuant to such purging election subject to the excess distribution regime described above. As a result of any such purging election, the U.S. Holder would increase the adjusted tax basis in its public shares by the amount of the gain recognized and, solely for purposes of the PFIC rules, would have a new holding period in its public shares. U.S. Holders are urged to consult their tax advisors as to the application of the rules governing purging elections to their particular circumstances.

A U.S. Holder’s ability to make a timely and effective QEF Election (or a QEF Election along with a purging election) with respect to its public shares is contingent upon, among other things, the provision by BYTE of a “PFIC Annual Information Statement” to such U.S. Holder. If BYTE determines it is a PFIC for any taxable year, upon written request, BYTE will endeavor to provide to a U.S. Holder such information as the IRS may require, including a PFIC Annual Information Statement, in order to enable the U.S. Holder to make and maintain a QEF Election, but there is no assurance that BYTE will timely provide such required information. There is also no assurance that BYTE will have timely knowledge of its status as a PFIC in the future or of the required information to be provided.

A U.S. Holder that has made a timely and effective QEF Election (or a QEF Election along with a purging election) with respect to its public shares generally would not be subject to the excess distribution regime discussed above in connection with the redemption of public shares, and instead any gain recognized on the redemption of public shares treated as a sale of the public shares generally will be taxable as capital gain and no additional interest charge will be imposed under the PFIC rules. As discussed above, if BYTE is a PFIC for any taxable year, a U.S. Holder of public shares that has made a timely and effective QEF Election would include annually in gross income its pro rata share of the ordinary earnings and net capital gain of BYTE, whether or not such amounts are actually distributed for such year. A subsequent distribution of such earnings and profits (including the relevant portion (if any) of the amount received in connection with the redemption of public shares treated as a corporate distribution) that were previously included in income generally should not be taxable when distributed to such U.S. Holder. The tax basis of a U.S. Holder’s public shares in a QEF will be increased by amounts that are included in income and decreased by amounts distributed but not taxed as dividends (including the relevant portion (if any) of the amount received in connection with the redemption of public shares treated as a corporate distribution), under the above rules. In addition, if BYTE is not a PFIC for any taxable year, such U.S. Holder will not be subject to the QEF inclusion regime with respect to its public shares for such a taxable year.

The impact of the PFIC rules on a U.S. Holder of public shares may also depend on whether the U.S. Holder has made a mark-to-market election under Section 1296 of the Code (an “MTM Election”). U.S. Holders who hold (actually or constructively) stock or shares of a foreign corporation that is classified as a PFIC may elect to mark such stock or shares to its market value each taxable year if such stock or shares is “marketable stock,” generally, stock or shares that are regularly traded on a national securities exchange that is registered with the SEC, including Nasdaq (an “MTM Election”). No assurance can be given that the public shares are considered to be marketable stock for purposes of the MTM Election for any taxable year or whether the other requirements of this election are satisfied. If an MTM Election is available and a U.S. Holder has made such election, such U.S. Holder generally will not be subject to the excess distribution regime discussed above with respect to their public shares in connection with the redemption of their public shares. Instead, any gain recognized on the redemption of public shares treated as a sale of the public shares generally will be taxable as ordinary income to such electing U.S. Holder (and no additional interest charge will be applied to the U.S. Holder). Any loss recognized on the redemption of public shares treated as a sale of public shares generally will be treated as ordinary loss to the extent of the net amount of previously included income as a result of the MTM Election, and any further loss recognized generally will be treated as a capital loss (the deductibility of which is subject to limitations). For purposes of determining the adjusted tax basis of public shares, certain adjustments are made to take into account the manner in which an electing U.S. Holder is taxed as a result of the MTM Election. In general, an electing U.S. Holder will include as ordinary income each year the excess, if any, of the fair market value of its public shares at the end of its taxable year over its adjusted tax basis in its public shares. The electing U.S. Holder also will recognize an ordinary loss

in respect of the excess, if any, of its adjusted tax basis in its public shares over the fair market value of its public shares at the end of its taxable year (but only to the extent of the net amount of previously included income as a result of the MTM Election). The electing U.S. Holder's tax basis in its public shares will be adjusted to reflect any such income or loss amounts. However, if the MTM Election is not made by a U.S. Holder with respect to the first taxable year of its holding period for the public shares in which BYTE is a PFIC, then the excess distribution regime discussed above under the section entitled “— *Effects of PFIC Rules on Redemption*” will apply to certain dispositions of, distributions on and other amounts taxable with respect to, Public Shares, including in connection with the redemption of public shares.

A U.S. Holder that owns (or is deemed to own) shares in a PFIC during any taxable year of the U.S. Holder, may have to file an IRS Form 8621 (whether or not a QEF Election or MTM Election is made) and such other information as may be required by the U.S. Treasury Department. Failure to do so, if required, will extend the statute of limitations until such required information is furnished to the IRS.

The rules dealing with PFICs and with the QEF, purging, and MTM elections are very complex and are affected by various factors in addition to those described above. Accordingly, U.S. Holders of the public shares should consult their own tax advisors concerning the application of the PFIC rules to the public shares under their particular circumstances.

ALL U.S. HOLDERS ARE URGED TO CONSULT THEIR TAX ADVISORS AS TO THE TAX CONSEQUENCES TO THEM OF A REDEMPTION OF ALL OR A PORTION OF THEIR PUBLIC SHARES PURSUANT TO AN EXERCISE OF REDEMPTION RIGHTS.

Information Reporting and Backup Withholding

Payments of cash to a U.S. Holder as a result of the redemption of the public shares may be subject to information reporting to the IRS and possible U.S. backup withholding. Backup withholding will not apply, however, to a U.S. Holder who furnishes a correct taxpayer identification number and makes other required certifications, or who is otherwise exempt from backup withholding and establishes such exempt status.

Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against a U.S. Holder's U.S. federal income tax liability, and the U.S. Holder generally may obtain a refund of any excess amounts withheld under the backup withholding rules by timely filing the appropriate claim for refund with the IRS and furnishing any required information.

Non-U.S. Holders

As used herein, a “Non-U.S. Holder” is a beneficial owner of a public share who or that is, for U.S. federal income tax purposes:

- a non-resident alien individual, other than certain former citizens and residents of the United States subject to U.S. tax as expatriates;
- a foreign corporation; or
- an estate or trust that is not a U.S. Holder.

Generally

The U.S. federal income tax consequences to a Non-U.S. Holder of public shares that exercises its redemption rights to receive cash from the Trust Account in exchange for all or a portion of its public shares will depend on whether the redemption qualifies as a sale of the public shares redeemed, as described above under “*Tax Treatment of Redeeming Shareholders — U.S. Holders — Tax Effects of Exercising Redemption Rights — Generally.*” Regardless of whether it is treated as a sale of public shares or as a corporate distribution on the public shares for U.S. federal income tax purposes, the redemption is not expected to result in any U.S. federal income tax consequences to the Non-U.S. Holder unless such Non-U.S. Holder holds such public shares in connection with a conduct of a trade or business in the United States (and, if required by an applicable income tax treaty, is attributable to a permanent establishment or fixed base that such Non-U.S. Holder maintains in the United States).

Information Reporting and Backup Withholding

Payments of cash to a Non-U.S. Holder as a result of the redemption of public shares may be subject to information reporting to the IRS and possible U.S. backup withholding. A Non-U.S. Holder may have to comply with certification procedures to establish that it is not a U.S. person in order to avoid information reporting and backup withholding requirements. The certification procedures required to claim a reduced rate of withholding under a treaty generally will satisfy the certification requirements necessary to avoid the backup withholding as well.

Backup withholding is not an additional tax. The amount of any backup withholding from a payment to a Non-U.S. Holder generally will be allowed as a credit against such Non-U.S. Holder's U.S. federal income tax liability and may entitle such Non-U.S. Holder to a refund, provided that the required information is timely furnished to the IRS.

As previously noted above, the foregoing discussion of certain U.S. federal income tax considerations is included for general information purposes only and is not intended to be, and should not be construed as, legal or tax advice to any shareholder. BYTE once again urges you to consult with your own tax adviser to determine the particular tax consequences to you (including the application and effect of any U.S. federal, state, local or foreign income or other tax laws) of the proposals described in this proxy statement and the exercise of redemption rights in connection therewith.

Resolution to be Voted Upon

The full text of the resolution to be proposed is as follows:

“RESOLVED, as a special resolution, to amend the Company’s Amended and Restated Memorandum and Articles of Association (the “Charter”) pursuant to an amendment to the Charter in the form set forth in Annex A of the accompanying proxy statement to extend the date by which the Company must (1) consummate a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination (an “initial business combination”), (2) cease its operations except for the purpose of winding up if it fails to complete such initial business combination, and (3) redeem all of the Class A ordinary shares, par value \$0.0001 per share, of the Company (“Class A Ordinary Shares” or “public shares”), included as part of the units sold in the Company’s initial public offering that was consummated on March 23, 2021 (the “IPO”), from March 23, 2023, to September 25, 2023 (the “Extension,” such date, the “Extended Date,” and such proposal, the “Extension Proposal”).”

Required Vote

Approval of the Extension Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of holders of at least two-thirds of the Ordinary Shares issued and outstanding, represented in person or by proxy and entitled to vote thereon and who do so at the Extraordinary General Meeting. Abstentions and broker non-votes, while considered present for the purposes of establishing a quorum, will not count as votes cast at the Extraordinary General Meeting. If the Extension is not approved and we do not consummate an initial business combination by March 23, 2023, we will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding public shares, which redemption will completely extinguish public shareholders’ rights as shareholders (including the right to receive further liquidation distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the remaining public shareholders and the Board, liquidate and dissolve, subject, in the case of clauses (ii) and (iii), to our obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of applicable law.

The Initial Shareholders are expected to vote all Ordinary Shares owned by them in favor of the Extension. On the record date, the Initial Shareholders beneficially owned and were entitled to vote an aggregate 9,122,313 Ordinary Shares (which consists of 8,092,313 Class B Ordinary Shares and 1,030,000 Class A Ordinary Shares underlying the Private Placement Units held by the Sponsor), constituting 22.0% of the Company’s issued and outstanding Ordinary Shares. See the section entitled “*Beneficial Ownership of Securities*” for additional information.

[Table of Contents](#)

In addition, subject to applicable securities laws (including with respect to material nonpublic information), the Sponsor, the Company's directors, officers, advisors or any of their respective affiliates may (i) purchase public shares from institutional and other investors (including those who vote, or indicate an intention to vote, against any of the proposals presented at the Extraordinary General Meeting, or elect to redeem, or indicate an intention to redeem, public shares), (ii) enter into transactions with such investors and others to provide them with incentives to not redeem their public shares, or (iii) execute agreements to purchase such public shares from such investors or enter into non-redemption agreements in the future. In the event that the Sponsor, the Company's directors, officers, advisors or any of their respective affiliates purchase public shares in situations in which the tender offer rules restrictions on purchases would apply, they (a) would purchase the public shares at a price no higher than the price offered through the Company's redemption process (i.e., approximately \$[] per share, based on the amounts held in the Trust Account as of the Record Date (including interest not previously released to BYTE to pay its taxes)); (b) would represent in writing that such public shares will not be voted in favor of approving the Extension; and (c) would waive in writing any redemption rights with respect to the public shares so purchased.

To the extent any such purchases by the Sponsor, the Company's directors, officers, advisors or any of their respective affiliates are made in situations in which the tender offer rules restrictions on purchases apply, the Company will disclose in a Current Report on Form 8-K prior to the Extraordinary General Meeting the following: (i) the number of public shares purchased outside of the redemption offer, along with the purchase price(s) for such public shares; (ii) the purpose of any such purchases; (iii) the impact, if any, of the purchases on the likelihood that the Extension will be approved; (iv) the identities of the securityholders who sold to the Sponsor, the Company's directors, officers, advisors or any of their respective affiliates (if not purchased on the open market) or the nature of the securityholders (e.g., 5% security holders) who sold such public shares; and (v) the number of Ordinary Shares for which the Company has received redemption requests pursuant to its redemption offer.

The purpose of such share purchases and other transactions would be to increase the likelihood of (i) otherwise limiting the number of public shares electing to redeem and (ii) the Company's net tangible assets (as determined in accordance with Rule 3a51(g)(1) of the Exchange Act) being at least \$5,000,001.

If such transactions are effected, the consequence could be to cause the Extension to be effectuated in circumstances where such effectuation could not otherwise occur. Consistent with SEC guidance, purchases of shares by the persons described above would not be permitted to be voted for the Extension at the Extraordinary General Meeting and could decrease the chances that the Extension would be approved. In addition, if such purchases are made, the public "float" of our securities and the number of beneficial holders of our securities may be reduced, possibly making it difficult to maintain or obtain the quotation, listing or trading of our securities on a national securities exchange.

Interests of the Sponsor and the Company's Directors and Officers

When you consider the recommendation of our Board, you should keep in mind that the Sponsor and the Company's officers and directors have interests that may be different from, or in addition to, your interests as a shareholder. These interests include, among other things:

- If the Extension is not approved and we do not consummate an initial business combination by March 23, 2023, the 8,092,313 Class B Ordinary Shares held by the Sponsor (whose members include certain of our directors and officers) will be worthless (as the Sponsor has waived liquidation rights with respect to such shares), as will the private placement warrants underlying the 1,030,000 Private Placement Units held by the Sponsor;
- In connection with the IPO, the Sponsor agreed that it will be liable under certain circumstances to ensure that the proceeds in the Trust Account are not reduced by the claims of any third party for services rendered or products sold to the Company or prospective target businesses with which the Company has entered into certain agreements;
- All rights specified in the Charter relating to the right of officers and directors to be indemnified by the Company, and of the Company's officers and directors to be exculpated from monetary liability with respect to prior acts or omissions, will continue after an initial business combination and, if the

[Table of Contents](#)

Extension is not approved and no initial business combination is completed by March 23, 2023, so that the Company liquidates, the Company will not be able to perform its obligations to its officers and directors under those provisions;

- All of the current officers and directors are expected to continue to serve in their roles at least through the date of the Extraordinary General Meeting and may continue to serve following any potential initial business combination and receive compensation thereafter; and
- The Sponsor and the Company's officers and directors and their respective affiliates are entitled to reimbursement of out-of-pocket expenses incurred by them related to identifying, investigating, negotiating and completing an initial business combination and, if the Extension is not approved and we do not consummate an initial business combination by March 23, 2023, they will not have any claim against the Trust Account for reimbursement so that the Company will most likely be unable to reimburse such expenses.

Recommendation

As discussed above, after careful consideration of all relevant factors, the Board has determined that the Extension Proposal is in the best interests of the Company and its shareholders. The Board has approved and declared advisable the adoption of the Extension Proposal.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE EXTENSION PROPOSAL. OUR BOARD EXPRESSES NO OPINION AS TO WHETHER YOU SHOULD REDEEM YOUR PUBLIC SHARES.

PROPOSAL NO. 2 — THE FOUNDER SHARE AMENDMENT PROPOSAL

Overview

The Company is proposing to amend its Charter to allow the Company to provide for the right of a holder of the Company's Class B Ordinary Shares to convert into Class A Ordinary Shares on a one-for-one basis at any point prior to the closing of an initial business combination at the election of the holder.

Upon conversion of the Class B Ordinary Shares to Class A Ordinary Shares, such Class A Ordinary Shares converted from Class B Ordinary Shares shall not be entitled to receive funds from the Trust Account through redemptions or otherwise pursuant to the terms of the Letter Agreement entered into by and among the Company and each of its officers and directors in connection with the IPO (the "Letter Agreement"). Additionally, the Class A Ordinary Shares converted from Class B Ordinary Shares will be subject to all of the restrictions applicable to Class B Ordinary Shares under the terms of the Letter Agreement, including the prohibition on transferring, assigning or selling Class B Ordinary Shares until the earlier to occur of: (A) one year after the completion of an initial business combination or (B) the date on which the Company completes a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination with one or more businesses that results in the Company's shareholders having the right to exchange their ordinary shares for cash, securities or other property.

A copy of the proposed amendment to the Charter of the Company is attached to this proxy statement as [Annex A](#).

Reasons for the Founder Share Amendment Proposal

The Company's Charter provides that the Class B Ordinary Shares automatically convert into Class A Ordinary Shares on a one-for-one basis, concurrently with or immediately following the consummation of a business combination. The purpose of the Founder Share Amendment Proposal is to provide the holders of the Class B Ordinary Shares with the flexibility to assist the Company in meeting the listing requirements of its Class A Ordinary Shares if necessary or desirable in connection with the Extension and the consummation of the Company's initial business combination.

If the Founder Share Amendment Proposal Is Not Approved

If the Founder Share Amendment Proposal is not approved, we will not amend our Charter to convert Class B Ordinary Shares to Class A Ordinary Shares. If the Founder Share Amendment Proposal is not approved, we believe it may reduce our flexibility to maintain a listing of our Class A Ordinary Shares.

If the Founder Share Amendment Proposal Is Approved

If the Extension is approved, the Company will file the amendment to the Charter with the Cayman Registrar in the form of Annex A hereto to allow the Company to convert the Class B Ordinary Shares to Class A Ordinary Shares on a one-for-one basis at any point prior to the closing of an initial business combination at the election of the holder. The Company will remain a reporting company under the Exchange Act, and its units, Class A Ordinary Shares and public warrants will remain publicly traded. The Company will then continue to work to consummate its initial business combination by the Extended Date.

You are not being asked to vote on a business combination at this time. If the Founder Share Amendment is implemented, provided that you are a shareholder on the record date for a meeting to consider the initial business combination, you will retain the right to vote on the initial business combination when it is submitted to shareholders, and you will have the right to redeem all or a portion of your public shares for cash in the event an initial business combination is approved and completed. You will also be entitled to receive your share of the funds in the Trust Account if we have not consummated a business combination by the appropriate date.

Resolution to be Voted Upon

The full text of the resolution to be proposed is as follows:

“RESOLVED, as a special resolution, to amend the Charter pursuant to an amendment to the Charter in the form set forth in Annex A of the accompanying proxy statement to amend the Charter to provide for the right of a holder of the Company’s Class B ordinary shares, par value \$0.0001 per share (the “Class B Ordinary Shares” and, together with the Class A Ordinary Shares, the “Ordinary Shares”), to convert into Class A Ordinary Shares on a one-for-one basis prior to the closing of an initial business combination at the election of the holder (the “Founder Share Amendment,” and such proposal, the “Founder Share Amendment Proposal”).”

Vote Required for Approval

Approval of the Founder Share Amendment Proposal requires a special resolution under Cayman Islands law, being the affirmative vote of holders of at least two-thirds of the Ordinary Shares which are represented in person or by proxy and are voted at the Extraordinary General Meeting. Abstentions and broker non-votes, while considered present for the purposes of establishing a quorum, will not count as votes cast at the Extraordinary General Meeting.

Recommendation of the Board

After careful consideration of all relevant factors, our Board has determined that the Founder Share Amendment is in the best interests of the Company and its shareholders. Our Board has approved and declared advisable adoption of the Founder Share Amendment Proposal.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE FOUNDER SHARE AMENDMENT PROPOSAL.

PROPOSAL NO. 3 — THE ADJOURNMENT PROPOSAL

Overview

The Adjournment Proposal, if adopted, will allow our Board to adjourn the Extraordinary General Meeting to a later date or dates to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Extension Proposal or the Founder Share Amendment Proposal. The Adjournment Proposal will only be presented at the Extraordinary General Meeting if, based on the tabulated votes, there are not sufficient votes at the time of the Extraordinary General Meeting to approve the Extension Proposal or the Founder Share Amendment Proposal, in which case the Adjournment Proposal will be the only proposal presented at the Extraordinary General Meeting.

Consequences if the Adjournment Proposal is Not Approved

If the Adjournment Proposal is not approved by our shareholders, our Board may not be able to adjourn the Extraordinary General Meeting to a later date in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Extension Proposal or the Founder Share Amendment Proposal.

Resolution to be Voted Upon

The full text of the resolution to be proposed is as follows:

“RESOLVED, as an ordinary resolution, to approve the adjournment of the Extraordinary General Meeting to a later date or dates, if necessary or convenient, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Extension Proposal or the Founder Share Amendment Proposal (the “Adjournment Proposal”), which will only be presented at the Extraordinary General Meeting if, based on the tabulated votes, there are not sufficient votes at the time of the Extraordinary General Meeting to approve the Extension Proposal or the Founder Share Amendment Proposal, in which case the Adjournment Proposal will be the only proposal presented at the Extraordinary General Meeting.”

Vote Required for Approval

The Adjournment Proposal requires an ordinary resolution under Cayman Islands law, being the affirmative vote of a majority of the Ordinary Shares issued and outstanding, represented in person or by proxy and entitled to vote thereon and who vote at the Extraordinary General Meeting. Abstentions and broker non-votes, while considered present for the purposes of establishing a quorum, will not count as votes cast at the Extraordinary General Meeting.

Recommendation of the Board

As discussed above, after careful consideration of all relevant factors, our Board has determined that the Adjournment Proposal is in the best interests of the Company and its shareholders. Therefore, if there are insufficient votes for, or otherwise in connection with, the approval of the Extension Proposal or the Founder Share Amendment Proposal, our Board will approve and declare advisable adoption of the Adjournment Proposal.

BENEFICIAL OWNERSHIP OF SECURITIES

The following table sets forth information available to us as of the Record Date, with respect to our Ordinary Shares held by:

- each person known by us to be the beneficial owner of more than 5% of our Ordinary Shares;
- each of our executive officers and directors; and
- all our executive officers and directors as a group.

Beneficial ownership is determined according to the rules of the SEC, which generally provide that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power over that security, including options and warrants that are currently exercisable or will become exercisable within 60 days. Except as described in the footnotes below and subject to applicable community property laws and similar laws, we believe that each person listed below has sole voting and investment power with respect to such shares.

In the table below, percentage ownership is based on 41,491,564 Ordinary Shares outstanding as of the Record Date, including 33,399,251 Class A Ordinary Shares and 8,092,313 Class B Ordinary Shares. Voting power represents the combined voting power of Ordinary Shares owned beneficially by such person. On all matters to be voted upon, the holders of the Ordinary Shares vote together as a single class. The table below does not include any Ordinary Shares underlying our outstanding warrants because such securities are not exercisable within 60 days of the Record Date.

If the Extension Proposal is approved and the Extension is implemented, the Company intends to hold an extraordinary general meeting of shareholders for the purpose of approving its initial business combination and related transactions. The Company's next annual general meeting of shareholders would be held at a future date to be determined by the post business-combination company.

If the Extension Proposal is not approved, and the Company does not consummate an initial business combination by March 23, 2023, then the Company will cease all operations except for the purpose of winding up and there will be no annual general meetings.

DELIVERY OF DOCUMENTS TO SHAREHOLDERS

For shareholders receiving printed proxy materials, unless we have received contrary instructions, we may send a single copy of this proxy statement to any household at which two or more shareholders reside if we believe the shareholders are members of the same family. Similarly, if an address is shared with another shareholder and together both of the shareholders would like to receive only a single set of our disclosure documents, the shareholders should follow these instructions:

- If the shares are registered in the name of the shareholder, the shareholder should contact us at our offices at 445 Park Avenue, 9th Floor, New York, New York 10022, or (917) 969-9250, to inform us of his or her request; or
- If a bank, broker or other nominee holds the shares, the shareholder should contact the bank, broker or other nominee directly.

SECOND, RESOLVED, as a special resolution: that the Amended and Restated Memorandum and Articles of Association of the Company be amended by the deletion of the existing Articles 51.7 in its entirety and the insertion of the following language in its place:

- (b) as promptly as reasonably possible but not more than ten business days thereafter, redeem the Public Shares, at a per-Share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company (less taxes payable and up to US\$100,000 of interest to pay dissolution expenses), divided by the number of then Public Shares in issue, which redemption will completely extinguish public Members’ rights as Members (including the right to receive further liquidation distributions, if any); and
